DEATH CLAIMS GOOD CITIZEN – Maurice Doody Passes Away At His Home Tuesday Of Paralysis – END NOT UNEXPECTED

Maurice Doody, 68 years old, one of the city's best known citizens, died at his home on Walnut street Tuesday morning between 9 and 10 o'clock of paralysis. Death was not unexpected. Several months ago he suffered a slight stroke and later another. He rallied from these and was able to be back at his place of business for a short while each day, but he failed to materially improve. Last Sunday evening a week ago while sitting in his room at home he was again stricken. He was unconscious from the time he suffered the last stroke until he passed away.

Mr. Doody was born in Marion county on January 22, 1859, and with the exception of three years spent in Indiana when a young man he was all of his life a resident of this county. He was a son of Maurice and Mary Eliza Montgomery Doody and was reared on a farm west of town. He attended local schools and later was a student at St. Mary's College and St. Joseph's College, Bardstown. After he returned home from college he accepted a position with the Lebanon Roller Mills Co., and later engaged in the coal and ice business with T.M. Estes under the name of M. Doody & Co. He disposed of his interest in the ice business to Mr. Estes several years ago and at the time took over his partner's interest in the coal business. This he has since successfully conducted. For several years he held the local agency for the Frank Fehr Brewing Co.

Mr. Doody was a member of the City Council at one time, and made a splendid official. He was a good business man; was progressive and always stood with those who favored the things that were best for the town and county. His passing is a distinct loss for the community, and he is certain to be missed. He was a consistent member of the Catholic church, and a former Grand Knight of the local Knights of Columbus Council.

Surviving are his widow, who was Miss Mary Agnes Edmondson of this county and to whom he was united in marriage on January 8, 1883, and five children, as follows: Sister Mary Maurice of Kankakee, Ill., who was Miss Rosa Mae Doody; Mrs. Robert L. Spalding, Mrs. William A. Humkey, Miss Elizabeth Doody and Maurice Doody, Jr., all of this city. Three other children born of the union are dead, one of these Lawrence, died while in the Marine Corps soon after the beginning of the World War; another son passed away several years ago, while a daughter died about thirty years ago. Mr. Doody is also survived by two brothers, Joseph Doody of Corbin and John Doody of Shawnee, Okla., and one sister, Mrs. John H. Bickett of Louisville.

With his wife, who was Miss Mary Murphy daughter of Judge Murphy, and to whom he was married in 1865, he came to this city in 1881 to make his home. In recent years, he had not been engaged in any business although he spent much of his time assisting in the office of the Lebanon Steam Laundry, owned by his son-in-law, W.R. Johnston. He was a faithful and consistent member of the First Presbyterian Church and for many years has been one of its elders.

Mr. Doom suffered the paralytic stroke which resulted in his death while in the office at the laundry. He was sitting in a chair and was seen to suddenly fall forward. He was removed to the home of his daughter and had since gradually grown weaker. He is survived only by two children, Mrs. Johnston and J. Murphy Doom, of Atlanta, his wife and two other children having preceded him to the grave. One of the latter was Mrs. Sadie Montgomery, who died about two years ago. Draper killed in car crash

Crystal "Skye" Draper was killed last week in a car wreck as she was coming home from a friend's house about 3:30 p.m.

She was three-tenths of a mile south of Holy Cross and driving on KY 457, when apparently she came around a curve, dropped onto the shoulder and went off the road, Kentucky State Police Trooper Alan Corbett said.

When Draper tried to get back on the road, she overcorrected, cut across KY 457, drove down into a ditch and hit an earth embankment, he said.

The Toyota she was driving flipped over and Draper was thrown from the car. She was not wearing a seatbelt, Corbett said.

Marion County EMS came to the scene and Draper was taken to Spring View Hospital in Lebanon. She died before arriving at the hospital.

Marion County Coroner Junie Mattingly said the cause of death was multiple head injuries.

Her family and friends say they'll never forget the smile and upbeat personality of the 18-year-old.

"The things that were most important to her were her family and friends," said her father, Ken Draper. "She was a sweet and loving child.

"Her mother, father and sister deeply loved her and she knew it."

Teenagers filled the Drapers' Loretto home Wednesday after hearing the news about their friend. They spent time writing down their thoughts about her.

More than 20 teens filled pages of paper with their thoughts about Draper and the things they'll remember most.

Draper's loves included spending time with friends and family, and art. Her family made a collage of pictures of family and friends.

They also gathered up their loved one's artwork to display at the funeral.

Accident claims life of Gravel Switch teen

A week has passed. But the community of Gravel Switch is still stunned over the tragic loss of a popular teen-age boy.

Sixteen-year-old Don Victor Drye IV died at 11:27 p.m. on Tuesday night of last week (July 27) from chest injuries suffered in a one-car accident on KY 337 in Gravel Switch. The accident happened around 10:15. He was pronounced dead at 11:27 by an emergency room physician in Lebanon's Spring View Hospital.

According to the Kentucky State Police, Drye was driving a 1992 Ford Mustang convertible, with the top down, north of KY 337 when he lost control. The car left the highway and overturned. He was not wearing a seat belt. The accident was investigated by Trooper Wayne Bemiss.

Everybody in the community of Gravel Switch loved Don V."

Lanham's wife, Joyce, said Don V. was like a third son to them.

"Everybody misses him so much," said Mrs. Lanham. "I don't think Don V. could have realized how much he's going to be missed. He had such a future in front of him. It's hard to understand."

BRIEF ILLNESS PROVES FATAL – George A. Dunn Stricken With Tetanus Lives Only Two Days – INTERMENT AT DANVILLE

George Alrie Dunn, 73 years old, died at his home on West Main Street Tuesday morning at 1 o'clock of tetanus. Death followed an illness of less than three days. He was stricken ill Saturday morning about 8:30 o'clock and at noon lapsed into unconsciousness, remaining in that state until he passed away. Physicians who were called soon after he was taken ill diagnosed his trouble as tetanus, although Mr. Dunn informed them that so far as he knew he had at no time recently suffered any cuts of any kind such as might have brought about tetanus. Previous to Saturday morning Mr. Dunn spoke of not feeling well, but he thought little of the indisposition and spoke lightly of it.

Mr. Dunn was a son of George S. and Dicie Scantland Dunn and was born in the Bradfordsville section on November 29, 1853. His early life was spent in that part of the county. Afterward he moved to Junction City in Boyle county where for twenty-five years he was a rural mail carrier. Seven or eight years ago he was retired and moved with his family to this city to make his home. He accepted a position with Lewis & Drye as manager of the firm's branch house here and remained with the firm until last August. He was a member of the Baptist church and for more than fifty-one years was a member of the Masonic Order. Only a short time ago he delivered a talk to the local lodge in which he referred to the fact that he had been a Mason for over a half century.

On June 25, 1895, Mr. Dunn was married to Miss Mattie F. Williams, of Boyle county. She and one son, Alrie Dunn, who is a student at Georgetown College, survive. A daughter born to Mr. and Mrs. Dunn died in infancy. He is also survived by a sister, Mrs. Ellen Pruitt of Bloomfield and a brother, Rev. J.M. Dunn, of Austin, Texas.
