

First White Child Born In Southern Kentucky

**David Chapman, Born October 25, 1791,
Was Buried Near Bowling Green In 1884**

Park City Daily News
December 4, 1955

About two miles east of the Bowling Green-Warren County Airport, on top of a bluff overlooking Drake's Creek at Chapman's Bridge, is a small cemetery where lies the remains of the first white child born in southern Kentucky. The cemetery is bordered by a waist-high stone wall and a woven-wire fence.

Inside the crumbling stone wall are some eight or ten weather-beaten monuments shaded by several cedar trees. On one of the stones is engraved the following words:

"David Chapman, Born Oct. 25, 1791, Died Oct. 28, 1884. He was the first white child born in Kentucky south of Green River."

Besides Chapman, the old cemetery contains both his wives and several of his descendants.

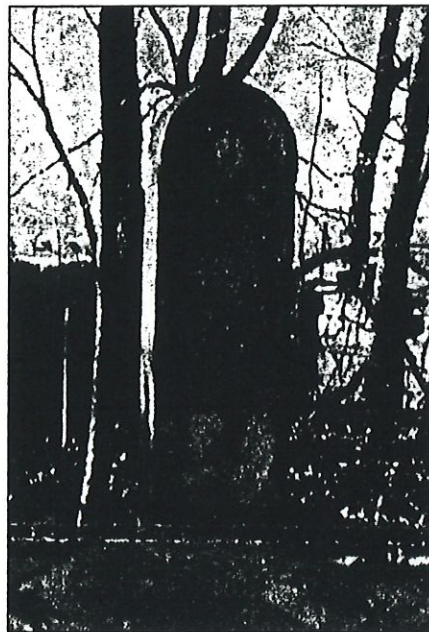

According to an article in an 1884 edition of the *Louisville Courier-Journal*, in possession of the Kentucky Library at Western State College, David Chapman was born at McFaddin's Station, located on the Barren River nearly opposite the mouth of Drake's Creek, one of its principal tributaries, three miles east of Bowling Green.

His father, Thomas Chapman, sometime during the year of 1790, moved from Virginia with several other families to southern Kentucky. For protection against the Indians, he joined a few pioneers who had established themselves at this point.

The Chapmans remained about a year at the station, then moved to a stockaded dwelling they had prepared some four or five miles up Drake's Creek from the station. Here, every morning and evening, with beat of drum and shouldered muskets, Chapman marched around his stockade at the

head of his family — six boys, his wife, daughter, and a Negro woman — all with guns, hats, coats, and small arms to scare the Indians, and therefore, discourage attacks. Indians always lurked just beyond the clearing, waiting and watching for one of the Chapmans to show himself alone outside the stockade.

On another occasion in David Chapman's life, a man named Drake was hunting "a mile or two up the creek," when Indians, by answering his turkey call, lured him "nigh to death." Catching a glimpse of them concealed in the

Marker over the grave of David Chapman, believed to be the first white child born south of the Green River in Kentucky, stands in a small family cemetery. It is located across the road from an old brick house on the Bowling Green side of Drakes Creek on the Middle Bridge Road. Chapman died at the age of 93 on October 28, 1884.

canebrakes, he turned and ran some distance up a steep bluff. They fired as he ran, but he did not know he was wounded, until he saw the bushes sprinkled with blood. Wounded critically, he finally made his way to Chapman's stockade, where he received care and was nursed back to health. The creek was named after him.

Amid such hardships, David Chapman was reared. Like his father, David was strong-willed, honest, and fair, with a firm purpose. Chapman lived on the farm his father first settled upon.

Many changes took place during his life. (George) Washington had been president for two years when he was born, so he lived under 21 administrations and 19 presidents.

Chapman had prominent traits of character and resolute daring. During the Civil War, the winter of 1861-62, while the Confederates held possession of Bowling Green, two companies of Scott's Louisiana cavalry took possession of Chapman's barns and pitched their tents nearby. One morning, Chapman called on Colonel Scott, and while sitting in the tent with several men, one officer broke out in a tirade of abuse of Union men, saying, "I mean to kill everyone I can find." Unarmed and surrounded as he was, Chapman's clear, resolute eyes flashed like a gleam of steel as, looking him steadily in the eye and turning back his cuffs, he said, "I'm a Union man, sir. You'd better start killing right now!"

The officer did not begin.

Chapman was married early in life to Miss Anna Percival, of Hardin County, by whom he had nine children. His second wife was the widow of Philip Edward McElroy, of Marion County. She bore him six children.

Up to his 90th year, he was a hale, well-preserved, old man, and still enjoyed a gallop on horseback and attended his church regularly. He was a friend to be relied upon, a father to be proud of.

On a brisk, clear night on October 28th, in the year 1884, David Chapman died, a white-haired old man at the age of 93. He had seen many men come and go, but at last, age had caught up with him.

FAMILY PHOTOGRAPHED

Subject to the availability of photographs, we hope to include this feature in all future issues. We do depend on you to send us black and white (or sepia tone) photographs of your Chapman ancestors. Photographs from the 19th century are preferred. We will have our printer make half-tone copies for reproduction and will return your originals unharmed.

WESLEY CHAPMAN

The featured family this quarter is that of WESLEY CHAPMAN, son of HENRY CHAPMAN and Elizabeth (MORRIS) Chapman. Henry Chapman was born about 1778 and he married Elizabeth MORRIS August 18 1800. Elizabeth, the daughter of Joshua and Frances (Simms) Morris, was born 1783.

The parents of Henry Chapman were JOHN CHAPMAN and Jane (DONAHO) Chapman. This family is well documented in *Mildred Chapman Gibbs FROM CULPEPER COUNTY TO THE TEAYS VALLEY The Story of The John and Jane Donaho Chapman Family and Those Related by Marriage* Revised 1978, Hartford, WV 25247.

WESLEY CHAPMAN was born December 30 1828 in Virginia. He died February 28 1894 in Nelson, Nuckolls County, Nebraska. He married Frances [Fanny] FOSTER, daughter of James and Sarah (Elkins) Foster, born in Lawrence County, Ohio.

They lived in Oquawka [Sagetown], now Gladstone, Henderson County, Illinois. They later moved to Nelson, Nuckolls County, Nebraska.

Their children were (those with * are included in accompanying photograph):

- i. William Abner Chapman, born August 15 1849 and died February 17 1852;
- ii. Sarah Ann Chapman, born January 20, and died August 18 1852;
- * iii. Mary Elizabeth Chapman, born January 22 1853 in Oquawka, (Gladstone) Henderson County, Indiana, died December -- 1921 in Nuckolls County, Nebraska, married James BOYD [BOYLE] about 1876 in Des Moines County, Iowa;
- * iv. Laura Belle Chapman, born April 18 1855 at Oquawka, Henderson County, Illinois, married Thomas Luzerne SCHWARTZ;

CHAPMAN EXCHANGE

Our policy on inquiries is that anyone who has an interest in CHAPMAN family history may submit an inquiry. We believe a policy of limiting inquiries to subscribers or charging non-subscribers for inquiries, would cut off many sources of valuable Chapman information. We do not limit the length of the inquiry, nor is there a limit on the number that may be submitted or the frequency of submission. Our reporting a particular Chapman lineage in the exchange does not mean that we necessarily agree with the lineage as reported by the CHAPPIE. If we have any serious disagreements, we have usually already informed the CHAPPIE concerned. I think it is important for the readers to know if a person making an inquiry, or providing feedback, is a subscriber or not. It helps to establish, to an extent at least, something about the knowledge one might have about Chapmans. If a name is followed by an asterisk and number "(*--)", it means the person is a subscriber with the number denoting the approximate number of quarters (issues) they have subscribed. If they purchased back issues then we consider them as a subscriber for the period covered by the back issues as well for they have the data of that period available. If you can help any of these Chappies please let us know, or let them know, but send us a copy so we can add the information to our files.

12-251 Billy Blanchard Chapman, (*02) 1475 Skiles Lane, Arden Hills, MN 55112 is the son of LLOYD E. CHAPMAN and N. Blanche WILCOX. Lloyd's father was ARTHUR E. CHAPMAN born 1863 in Hudson, St. Croix County, Wisconsin, and he was the son of LYMAN NATHANIEL CHAPMAN born 1827 in Damariscotta, Lincoln County, Maine. His father was NATHANIEL CHAPMAN born 1777 and who married Margaret KNIGHT 1804. Nathaniel was the son of another NATHANIEL CHAPMAN born 1740 and who married Sarah LINCOLN in 1768. This Nathaniel's father was ANTHONY CHAPMAN born 1713 and married Sarah PATCH. Anthony Chapman can be found in the 1893 book on the descendants of EDWARD CHAPMAN (1642-1678) of Ipswich, Mass. See *PUBLICATIONS REVIEW* for more about a book related to this line and see *FEEDBACK* about how you may obtain a copy of the 1893 book.

12-252 John M. Chapman, (*12) 1308 State Street, Quincy, IL 62301 asked that we include both of the following: A. I would like to correspond with anyone who has information on SAMUEL CHAPMAN born 1726, Colchester Connecticut, moved to Sharon Connecticut. He is number 55 in *THE CHAPMAN FAMILY* by Rev. F. W. Chapman. B. I would like to correspond with anyone who has information on HEMAN CHAPMAN born Sharon Connecticut, moved to Tioga County, New York (?), moved to Washington County, Ohio (?).

12-253 Mrs. William R. (Delphine C.) Chapman, Jr., (*02) Rural Route 1, Box 234A, Bedford, KY 40006 has been on our mailing list for some time. We had asked for some more information, but then never followed through with an inquiry or introduction. Delphine's husband actually had two great grandfathers named Chapman. His father, WILLIAM ROBERT CHAPMAN, SR was the son of JOHN IRVIN CHAPMAN who married SARAH BELLE CHAPMAN. John Irvin was born 1867 in Luray, Page County, Virginia and Sarah Belle was born 1869 in Woodford County, Kentucky. John Irvin was the son of JOHN WILLIAM CHAPMAN born in Nordingham England. Sarah Belle was the daughter of JAMES J. CHAPMAN born 1837 in Woodford County, Kentucky. Delphine would be pleased to receive information on any of these Chapmans.

12-260 Mrs. William J. (Lucille) Miller, (*12) Route 1 Box 102AA, Crosslake, MN 56442 (Winter address: 8429 Cypress Lake Cir, Sarasota, FL 34243-2958) is the daughter of **FREDERICK ADAM CHAPMAN** born 1895 in Viroqua, Vernon County, Wisconsin. His father was **HERBERT SAUNDERS CHAPMAN** born 1861 in Marsellen, Wisconsin and he was the son of **HIRAM CHAPMAN** born about 1809 in Petersborough, Hillsboro County, New Hampshire. Lucille sends the following inquiry: "Regarding the parents of **HIRAM HOWE CHAPMAN**. My information is that they were **DANIEL CHAPMAN** and Ruth **HOWE** of Stowe, Vermont. She died January 2 1833 at age 49 and is buried in "old cemetery" at Stowe. I don't know anything of Daniel. My great grandfather, Hiram said on his "intent to marry" that he, Hiram, was born in Peterborough, NH. That would be around 1809. Names of Daniel's and Ruth's children are probably **ALMINA CHAPMAN**, **ALMARY CHAPMAN**, **ALMIRA CHAPMAN**, **HENRY CHAPMAN**, **LYSANDER P. CHAPMAN**, **ALZIRIA CHAPMAN**, **HERMAN MANN CHAPMAN** and **HIRAM HOWE CHAPMAN**. These are all my clues. Can anyone help me with Hiram's father who may be Daniel?"

12-261 Mrs. Mary J. Miltner, (*12) 4012 Holly Hill Road, Lake Charles, LA 70605 is looking for parents of her 2nd great grandfather, **JOHN C. CHAPMAN**, born about 1800 in Kentucky. He married Helen **WARNACK** who was born about 1803 in Greene County, TN. Their first child **FREDERICK W. CHAPMAN** was born there. Helen's brother, Henry **WARNACK** married **ASENA (CENA) CHAPMAN**, perhaps a sister to John. Both families moved to Alton, Madison County, Illinois. John and Helen had three known children born there: **LAURETTA (LOLLY) CHAPMAN** born 1837, **MARY CHAPMAN** and **THOMAS CHAPMAN**. From there the family moved to Lafayette Parish, Louisiana. A child, **LOUISE CHAPMAN** was born there in 1854. Lauretta married Thomas Reuben **REYNOLDS** in 1855. Their children were Jane, Lucy, Frederick, Mary, Lydia and Helen. **ELLEN CHAPMAN** aged 65 and born in Kentucky is listed as living with them in the 1870 Federal Census. Lauretta's brother Frederick W. Chapman married Lydia Townsend **RICE** in New Orleans Parish, 1864. Their daughter, Mary L. married Theodore **FISCHER** of New Orleans.

12-262 Mrs. Thomas Earl Mullen, 2108 E. Meadowbrook Road, Jackson, MS 39211 had an inquiry (#9-216) in the August 1985 issue. We have since learned more about her Chapmans. He 3rd great grandmother was **MARY CHAPMAN** who married (1) a Mr. **PERRYMAN** in Franklin County, Virginia before 1788 and (2) Matthew **BOLTON** in Franklin County on March 26 1788. She was born October 22 1768 in Virginia and died in Warren County, Georgia October 6 1836. She was in Columbia County, Georgia as early as 1797.

12-263 Maureen White (*02) 1309 E. Granada Road, Phoenix, AZ 85006 is looking for information on **LYDIA CHAPMAN** born February 16 1744, died 1825 and married Samuel **UDALL** December 14 1765 in Stonington, Connecticut. He died 1805/25 in Hartford, Windsor County, Vermont. She is particularly interested in learning more about Lydia and her parents. See *FEEDBACK* and *PUBLICATION REVIEW* for more about Maureen White.

forget it. If one of you would like to start where he left off, and finish, we, and many of the Chappies would be most appreciative. If any of you have access to a LDS library which has the capability to print the microfiche, that would be the easiest way of extracting and sending us the information.

CHAPMAN BOOK AVAILABLE

Maureen White (*02) mentioned in the *EXCHANGE* and in *PUBLICATIONS REVIEW* sent us a reprinted version of Jacob Chapman's 1893 *A GENEALOGY OF EDWARD CHAPMAN OF IPSWICH, MASS, 1642-1678, AND HIS DESCENDANTS*. We already have a copy of the book and started to offer this one, on a first come first served basis, to anyone who wanted it for the postage necessary to send it to you. Then we thought that many of you might want it, and unlike the copy I already have, this one would be convenient to reproduce. It has been reprinted with four of the original pages on one page so that 139 original pages are now on 37 pages. While I need my regular glasses to read it, I can do so easily without the magnifying glass. I figure I can copy and mail this to you for \$6.50. That will be stapled with a bristol (cardstock) cover and I'll 3-hole it so you can put it in a notebook.

Continuing with our comments about Chapman artists from the two previous issues Eleanor C. Lent (*12) wrote: "Talking about Artists - at an auction in Litchfield, Conn - a painting called 'Impending Wreck at Sea' by CARLTON T. CHAPMAN was up for sale - considered a listed Artist. He must belong to someone. JOHN GADSBY CHAPMAN born 1808 in Alexandria, VA - According to a book on antiques that I have - was considered to be an excellent painter in the 1840's - 'The Baptism of Pochontas' is in the Rotunda of the Capital in Wash. D.C. His paintings of children were well known. In 1856 he moved to Rome - wish he belonged to my side of the family!"

Eleanor C. Lent (*12) also sent us a clipping from the *NEW YORK NEWS* concerning the death of 94 year old ALBERT K. CHAPMAN. It might interest Chappies to know that he was a former president and board chairman of Eastman Kodak Company. He worked on the development of aerial photography in 1919, joining Kodak after the war.

CORRECTION

Two of the inquiries in the last issue were entered under the wrong number. For future reference, you might do well to change 11-244 on page 5 to 11-249 and on page 8, change 11-245 to 11-250.

Mrs. Harry N. (Gladys) Deyo, (*12) brought to our attention an error in the November 1985 (#10) Issue. In the *DATA BANK* on page 16, records #36 & 37 on ERWIN AARON CHAPMAN, the mother should be Jane G. SMITH, not Mary J. SMITH as we printed it.

STILL RECEIVING CHAPMAN INFORMATION

We are still receiving new information regularly from Chappies across the country. Some of those sending material this quarter were: Billy Blanchard Chapman (*02), John M. Chapman (*12), Frances B. Leach, Thomas W. Seim (*12), Dorothy Chapman Van Slyke (*06), and Maureen White(*02).

that the 100 pages include 200 family group records. Entries in the forms were printed by hand but are very legible.

CHAPMAN FAMILY HERITAGE BOOK

In the special issue I commented on several questionable family publications currently being advertised or offered to selected potential customers. If you read the National Genealogical Society Newsletter you noticed another one listed in the latest issue. As I said in the special issue, I did order several of these primarily to see what they were so that I could advise you. I explained one in detail in the special issue. I've since received my *THE HERITAGE OF THE ALFORD FAMILY* which is published by Computer Genealogies, Inc. They apparently have something to do with LINEAGES, INC P.O. Box 417, Salt Lake City, UT 84110 as they included many pages of promotions or advertising from them. When I opened the package I could not miss the fact that the binding is exactly the same as the family heritage books published by Beatrice Bayley, Inc. I mean exact, color, grain, "gold" trim, initial and everything. The title pages are also too similar to be accidental. Fortunately though, they did include some information of possible genealogical value in the newer book. The pages are not numbered as that would mess up their mass assembly of similar books on different surnames. The "Table of Contents" lists: Introduction, How to use this Book, Lineages, Inc, a helpful service (Ed: commercial), Genealogical and Historical Societies, Family Data Sheets, LDS Information References, Library of Congress Information References, National Directory of Families, Family State Count. The latter two were in the Beatrice Bayley version, but this one has a few more names and a much compressed format. The information on Genealogical and Historical Societies you can get from *THE GENEALOGICAL HELPER* each year in the issue that lists all these and you can find them in *THE HAND BOOK FOR GENEALOGISTS* by Evertons which many of us and practically every library has. Much to my surprise it did include some, about 125, family group records. These seem to be the LDS archive copies printed with the right portion that pertains to Church business not reproduced. For our purpose, this section almost made the price worthwhile. The LDS references are the same thing we have asked your help to get from the LDS libraries. It is available to anyone free at any LDS library just for the asking and extracting from the microfiche. In the Alford book there were about eight pages of references and then some of the references themselves were reproduced in part. These are clearly marked as LDS Genealogical Society copies. They deal with coats of arms, name origins, leading families and some biographies. (I'm not sure how they are getting around copyright violation on some of the pages reproduced.) The Library of Congress references for the Alfords is only a half page, and contains seven items. Now, I'm sure none of you want copies of any of my Alford material, but if one of you purchased a Chapman version, I would certainly like to have a copy of all the Chapman peculiar material in your book. If you would let me borrow a copy I'll reproduce the appropriate pages and have your book on the way back to you completely unharmed two week days after I receive it. It could be that they did not undertake a Chapman version, as that surname would probably choke their system with so many Chapmans around.

three numbers, and two letters are to a particular family group record. There are a few with Af in the reference column and these are alleged to be the ancestors of JOHNNY APPLESEED. Two records say "APPLSEED" in the Reference Column, and these are persons who different written authorities claim to be the famous John Chapman. The "O E" column is normally used to identify some other event with date and place. These codes are explained in the directory, but briefly they are I=immigrated, W=will (written or proved), D=mentioned in a land Deed as grantee, grantor or witness, C=christened or baptized, B=born, U=united or married, X=died or expired, Q=buried, (more on these last four later), R=resided, E=enumerated in census, L=mentioned in some legal transaction other than land deed, M=military or patriotic service, T=mentioned on a tax list, V=moved, G=gold lottery etc, and S=mortality schedule. In this issue we are using this area for notations other than "Other Events". For example if we have used B, U, X or Q for born, married, died or buried in the "OE" column, it means we have a date or place different than the one shown under the coluns on the left side of the page. Along with one of these characters in the "OE" column you will also find "*****" under either the "OVENT DATE" or "OEVENT PLACE" columns. This helps to identify this as a special notation, and the alternative or conflicting data is under the other of the two columns. Getting confusing? Sorry but there is a little more. In some cases there is an "*" under the "OE" column, and "XXXXXXXXX" under the "OEVENT DATE" column. This means we want to refer you to another entry to look at along with the one noted, ie they are cross referenced. For example we cross referenced records 34 and 35. We feel that these cross referenced entries may be the same person, but we did not feel strong enough to combine them. Having stared with over 1100 records and cutting it down to 874 you can see that we did combine many of them. One would think that with all these confusing notations there would be no need for further comment on the individual records. Not so, some could not be handled within the listing and comments on them are below. We have printed this file seven different times for review and correction and made about ten reviews with the computer. With so many records there just has to be additional errors that you will see. Please let us know about them. Some time in the future we will print this again. If you have data that can be added to one of the existing records, if you see two that should be combined, or if you can add John Chapmans we don't have, please let us hear from you.

COMMENTS ON SPECIFIC RECORDS

#12 & #13. You may have information that shows the mother of this John Chapman to be Ann BLITH or Ann BLITHE. From information we have seen in Bliss publications, we are satisfied that Bliss is the correct name.

#13. We have seen several spellings for the surname of this second wife of John Chapman. For example the 1854 book shows BEAMONT, BEAMAN AND BEAMENT. The book shows the latter for the name of her father, and unless a reader has proof of another name, we are considering Beament as the official spelling.

#16, #24 & #103. Maybe there were two Rebecca SMITH's who married John Chapman's. While it may be possible for the same couple to be the parents of John born 1676 and in 1738 we think it highly improbable. #24 which comes from the 1893 Edward Chapman book is supported with several other dates that appear valid. Note that this is allegedly one of the ancestors of Johnny Appleseed. #103 comes from an entry in the LDS IGI and the date of baptism would seem valid unless there was an error in transcription.

Our regular *CHAPMAN CHATTER* subscribers may be wondering what is happening, and why their regular newsletter of 24 plus pages has shrunk to just a few. Your regular issue will be coming along in a few days, with some new features. It was delayed by this special issue and by our work on the 1985 *CHAPMAN DIRECTORY*.

We had several things we needed to tell all our *CHAPMAN* contacts so we thought we would use this technique rather than a form letter to our non subscribers. For the subscribers we didn't want to mess up the regular newsletter with all this un genealogical information.

Although we have written to all persons to whom we are addressing this copy, there are some of you from whom we have never heard. If you want us to continue your name on our list you need to read "WE NEED TO HEAR FROM YOU" on page 8.

SOME OPERATING CHANGES

When we first began writing some of you about three years ago, we promised to keep a look out for your Chapman kin and to report to you from time to time on what we were finding. We now have so many contacts and so much information we are going to have to modify that promise. We are still watching out for your ancestors, but even with a computer I can not do all I originally planned. With our Alford and Newkirk contacts we are working with over 1,000 people. In just the first six weeks of this year I wrote over 125 different personal letters. Our Chapman list at the turn of the year was over 400 names, but I have cleaned out some of the inactive ones, and will eliminate more as a result of mailing this piece.

such a fashion.

In the Newkirk newsletter I offered to give all of our collection, comprised of several books, fifteen large looseleaf note books with your correspondence and data, and about sixty computer diskettes containing Chapman information to anyone who would take over the Chapman project and agree to continue doing at least as much as I have tried to do. Of course I would also provide them with my list of over 400 persons who are supposed to be interested in Chapman family history. Subject to the approval of each paying subscriber, I would transfer the unused portion of their subscription also. If they prefer, their unused subscription will be refunded. I have a varying number of copies of each of the back issues which represent a personal financial investment. Some special arrangements would be necessary on these. I continue to make that offer, on either or both, of these newsletters to anyone who would care to undertake them. You should be advised that you would require a computer with several software programs, some financial resources, and considerable patience and time. If you are interested call or write.

Recognizing that such a volunteer is not likely, and that even if one were they would eventually be faced with the same problem as I have; I have an alternate suggestion. I would recommend that several of the more ambitious Chappies take it upon themselves to organize a national Chapman family association or society. Properly established such an organization can enjoy tax benefits and offer members tax breaks which I cannot offer. Fees and dues (which should include newsletter subscription) of members can be tax deductible. The responsibility of the newsletter can be the associations, and they can either use volunteer help, or pay for its publication. Other work we do could be divided among several of the members of the association. Such an organization would provide the basis for an indefinite life, and the collection which you and I have put together would continue to grow and would be available to one and all to the extent established in the rules of the association. While I have made a feeble attempt to begin reaching all the Alford in the United States, I've not undertaken such a task on Chapmans. This is something that should be done, and could be done very effectively by an association.

There is a very good book in print on the subject of establishing and operating a family organization. I would be happy to provide anyone interested with the reference, and with any information I have concerning the establishment of such an organization. I've already taken preliminary steps to form an Alford organization, and will be making a similar recommendation to the Newkirkers.

Lets face it folks, unless you take some action, the collective results of all our work will eventually follow our ancestors and die, and that would be a shame.

COMPUTER PLANS

Regardless of who what are where your Chapman focal point might be in the future, we need to be planning on increased use of computers. In a recent meeting of our St. Louis Genealogical Society someone asked for a show of hands of all persons who had computers. Ours is a pretty large society and the attendance on this night nearly filled a good size auditorium. I was amazed to see almost half of those there raise their hands. Our planning calls for working with you who have computers in three ways. The first is by exchange of data on computer disks. Programs are available which would permit us to reformat many of your disks of information so that I can use them in my computer, or reformat my disk so you can use it in yours. To begin this I need to know the make and model of your computer, the type software you are using, and the disk

readers. Their advertisement says "Each manuscript is a GENALOGICAL and HISTORICAL study of the family from the earliest times." It goes on with promises about origin, growth, early settlement in America, Revolutionary War etc. "Each history is a separate and distinct work painstakingly compiled from the most authentic sources. Reproduced on fine paper and bound in a handsome black cover stamped in silver ink, it is suitably designed for filing among your family records or other documents.." The black cover is on only one side, makes no mention of the surname, and is designed to be folded so that it is one third the size of a sheet of paper. It is made of textured heavy paper. The "manuscript" starts with a form on which Chapman and a number were entered, but with a different typewriter than the one which did the form. Then there are seven double spaced pages with Chapman information extracted from several of the more popular Chapman books. One page has a list of distinguished American Chapmans, a total of only eight which is an insult to the surname. One page contains a bibliography, and only a bibliography, of nine publications, so two thirds of the page is blank. I can extend my arm from where I am sitting and touch more Chapman family books. The final four pages are devoted to "Why you have a family name and what it means." Included in the package which was mailed in a heat sealed plastic envelope, was a one page advertisement suggesting you might want to get a copies for gifts. Also included was a folded 12 x 15 inch page (making six pages on one side) with a colored coat of arms on the Johnston family on the other side. The six pages are a subtle advertisement leading up to another paper inclosed. It is an order blank for various coat of arms ranging in price from \$70 to \$165. About the only useful item in the package was a circular or polar eight generation ancestor chart on a page about 18 x 22 inches. Oh yes, they did include a copy of the advertisement which was published in the magazine.

1985 CHAPMAN DIRECTORY

We have finished most of the work on the 1985 directory, and upon receipt of some feedback from you, will be ready to send it to the printer. (see "WE NEED TO HEAR FROM YOU" on page 7)

If you plan to get a copy, you can save some money by placing an order before we print in late May or early June. If we receive your order by May 15, you can take advantage of the prepublication price. We'll explain more about that later, but first we should tell you about the directory. I should tell you in advance that this is somewhat detailed but I want you to understand what is available, and I've tried to fix it so you can make purchases in line with your needs, rather than giving you one fixed publication which you take or leave. PLEASE NOTE THAT THE DIRECTORY WILL NOT BE MAILED UNTIL JUNE 1986.

1984 VS 1985

We want to emphasize that the 1985 directory does not completely replace the 1984 directory. There are about 185 lineages that are in the 1984 issue that we are not repeating in this one. There have been revisions or additions to some of others in the first edition, and the revisions are included in the second edition. After we publish the 1985 edition we will no longer offer the 1984 version complete, but will offer copies of the "unique" pages as supplements.

Overall Format Changes

The 1984 edition was bound with plastic covers and plastic finger or comb binding. The 1985 edition and all future publications will be with heavy paper covers, stapled, drilled for three ring looseleaf notebooks, and bound with fabric tape. The new publications will be flexible in format so that sections can be added over the years. The

are used in all the ancestor, spouse, and lineage lists.

Supplements Available

Not included in this edition is the list arranged geographically based on the place of birth (or other event) as we did in the last. For those who want to purchase it separately, we will offer it as a supplement and a form for ordering same will be included in the 1985 directory when it is mailed. Two other supplements will also be offered at that time. Some may find it inconvenient looking at lineages in two different printouts and desire to purchase one consolidated printout of the family reference file containing all lineages. (This is the version we use for our work) This will be provided for on the form. If you have this, and the 1985 edition, they combined will completely replace the 1984 edition (except for some appendixes). A third supplement will be a printout of just the lineages contained in the first edition (without revision or correction). This will be less expensive than the consolidated printout just described, but the user will still have two sets of lineages, each in alphabetical order, and with some of those in one, revised in the other. With the availability of these two latter supplements, it will not be practical or economical to continue to offer the 1984 edition so it will be discontinued effective May 15.

PLANS FOR 1986 DIRECTORY

We have a couple of plans already underway for the 1986 directory which we should mention now. In future editions we will provide an option to you to identify any of your direct ancestors on which you seek more information. There will be a code, similar to the "I", "O", and "P" which we will use to tell others that you are seeking information on that person or persons. We also are adding a "remarks" capability so that if and when you feel a need for a qualifying or expanding comment on an ancestor you will be able to add one. The only other change planned now is to also provide you the capability to actually include an inquiry in the directory keyed to one or more of your direct ancestors. All of these plans are in keeping with our effort to provide you the maximum service possible to permit you to use these products to help yourself since we can no longer give the personal attention to each as we had first tried.

Pricing Information

Those who are subscribers, or who enter a subscription before ordering the Directory will save \$1.00 off the basic price. And in keeping with our original policy of giving a discount to those who purchased the previous edition, those who bought the first edition, or who order one along with an order for the 1985 edition will receive a \$1.00 discount. **THOSE WHO HAVE PREVIOUSLY ORDERED A DIRECTORY WILL FIND A "D" AS THE FIRST ENTRY ON THE TOP LINE OF THE MAILING LABEL ON THIS NEWSLETTER.** If you purchased a Directory and you do not find a "D" on the label, you need to bring it to our attention. The list price for the directory this year will be \$15.00. This is the same as last year even though it is about the same size, and a much better edition. The pre-publication price for those who are neither a newsletter subscriber and did not purchase last years directory is \$13. For those who are subscribers and who purchased a 1984 directory, subtract \$2.00 from these making the price to you either \$13 after publication or \$11 before publication. If you are either a subscriber, or you purchased last years edition, but are not both, then subtract \$1.00 to make your cost \$14 or \$12. Remember that pre-publication orders must be received before May 15, and that to get these bonus savings you may enter a subscription or purchase a copy of the 1984 edition at the time you place your order, if before May 15.

CHAPMAN EXCHANGE

Our policy on inquiries is that anyone who has an interest in CHAPMAN family history may submit an inquiry relative to their family, or Chapmans in general. Since anyone may submit an inquiry, subscriber or otherwise, we do not consider it appropriate for a person to submit an inquiry on behalf of another. We prefer not to publish the name and address of a person who has not contacted us, or unless we have obtained the name and address from a published record indicating they were not concerned about the privacy of said information. We believe a policy of limiting inquiries to subscribers or charging nonsubscribers for inquiries, would cut off many sources of valuable Chapman information. We do not limit the length of the inquiry, nor is there a limit on the number that may be submitted or the frequency of submission. Our reporting a particular Chapman lineage in the exchange does not mean that we necessarily agree with the lineage as reported by the CHAPPIE. If we have any serious disagreements, we have usually already informed the CHAPPIE concerned.

15-308 Mr. Brian Berry P. O. Box 83-2130, Richardson, TX 75083, who shares a Chapman line with Micki Crozier sent the following:

We are seeking the parents of the following Chapman family, and any materials available on any of the family members:

1. JOHN W. CHAPMAN Born in Virginia about 1814, on June 9 1842 married Jane HODDY in Chillicothe, Ross County, Ohio, died October 8 1855 in Chillicothe;
2. MARY J. CHAPMAN Born in Virginia about 1818, on November 2 1837 married John McMASTERS in Chillicothe, Ross County, Ohio, moved to Fayette County, Ohio;
3. Daughter, born in Virginia;
4. JEFFERSON J. CHAPMAN Born in Virginia about 1825, on September 10 1846 married Maria BLADEN in Chillicothe, Ross County, Ohio, lived at Frankfort, Ross County, later moved to Fayette County, Ohio, alive in 1890;
5. THOMAS (?) CHAPMAN Born in Virginia about 1825 married Maria -----;
6. ELIZABETH A. CHAPMAN Born in Virginia about 1825, on September 10 1846 married James M. MARTIN in Chillicothe, Ross County, Ohio, in Macon County, Illinois in 1850, returned to Chillicothe where she died October 13 1897;
7. SUSAN FRANCES CHAPMAN Born July 3 1831 in Chillicothe, Ross County, Ohio, married Rufus Wilson PARKS in Decatur, Illinois, died September 25 1895 in Kansas;
8. W. H. H. CHAPMAN married Rebecca DAIZIN March 3 1860 in Ross County, Ohio.

From the above it can be seen the family moved from Virginia to Ross County, Ohio between 1825 and 1831. The mother of this family may have been Sarah WARREN.

15-309 Mrs. E. J. (Jody) Davis 4501 Airlie Way, Annandale, VA 22003 wrote: "I am still looking for WILLIAM CHAPMAN, born about 1815, married 1840 Mary BROOKS, daughter of Charles and Mary Brooks. Died before 1844 in New York or Illinois. Would like to correspond with those working on Chapmans in McHenry Co, IL as well as Otsego, New York."

ADDRESS CHANGES

The following is a new address:
Mollylou Stoddard P. O. Box 109, Depoe Bay, OR 97341
DEATHS

We were saddened to learn of the death of **NONA ALBERTA CHAPMAN LONG** on January 17 1987. She was the mother of Chappie Betty J. (Mrs. Guy A.) Swanson. Services were held in the Presbyterian Church in Nelson, Nebraska and burial was in the Nelson Cemetery January 20 1987. Readers may remember that a photograph of Mrs. Long, as a child, was on the cover of the May 1986 issue of **CHAPMAN CHATTER**.

READERS BEWARE??

In the previous issue we alerted you to a possible problem with a publications firm. The following is an update on that from Laverne Raisch: "You can now tell your readers that **FINALLY**— after 3 letters I wrote & almost 7 months of silence — I finally heard from Magee Publications. I received my money back with a mimeographed letter telling of 'a fire that disrupted their business'."

ADDITIONS

In the first issue of **CHAPMAN CHATTER** we included an inquiry (#1-22) for Mollylou Stoddard. The following feedback was received from her since our last publication:

Here's an update on **CLINTON CHAPMAN** (my Great Grandfather) and **Felicia (Phelicia) Sigurna Martinez HARD** (my Great Grandmother) Clinton was born about 1820 in New York, died January 24 1887 in Starke County, Indiana, married (1) **Mary KNAPP** March 5 1847 and she died in 1853, married (2) **Phelicia PHILLIPS** May 3 1856 (see below) in Marshall County, Indiana, and married (3) **Phebe CASTLEMAN** March 29 1866. Clinton was a brother to Dr. **CLARKE CHAPMAN** who was born about 1822, married **Elizabeth** ----- and died about June 2 1898 in Argos, Indiana.

Felicia (Phelicia) was born March 6 1838 in Ohio and died February 3 1919 in Blackfoot, Idaho. She married (1) **James Phillips** on January 16 1853 in Marshall County, Indiana. It is not known if they were divorced or he died. She married (2) **CLINTON CHAPMAN** (see above paragraph) and it is assumed they divorced because of Clinton's third marriage. Mollylou credits **Mary Durnan** of the Marshall County Historical Museum for the help which permitted this first breakthrough for her in ten years.

Nancy Gayle Chapman had an inquiry printed in the August 1986 issue (#13-268). She and her parents have since had an opportunity to visit Winnebago County, Illinois and she has some changes regarding her Chapman ancestors as follows:
HENRY CHAPMAN is W. H. "Henry" Chapman (shown as Henry on 1830,

CHAPMAN DESCENDANTS OF WILLIAM CHAPMAN OF NEW LONDON, CT (B 1633E)

In the very first issue of CHAPMAN CHATTER we began a genealogy of this family. After three installments we became aware of a conflict in two published Chapman families and suspended publication until the 9th issue when we reported the conflict resolved to our satisfaction (see 1/ below) and resumed publication of the genealogy. If we were continue at the rate allowed by the type of reports being published, we would not have finished in this lifetime. It is important to get all of the genealogy in publication as there are many significant additions made possible by material submitted by the several Chappies who descend from this family. While the majority of this account comes from Rev. Frederick W. Chapman's THE CHAPMAN FAMILY: or The Descendants of Robert Chapman One of The First Settlers of Saybrook, Conn., with Genealogical Notes of WILLIAM CHAPMAN, Who Settled in New London, Conn. etc. important additions were made possible by the following:

- EARL B. BALDWIN, P. O. Box 194, Bourbon, MO 65441
- CRESSEL L. CHAPMAN, Rd 5, Box 133, Moscow, PA 18444
- JAMES L. CHAPMAN, 23321 75th Avenue N., Edmonds, WA 98020
- EVA L. COLLINS, P. O. Box 734 Rochester, NY 48063
- SAMUEL E. GODDENOUGH, 31 Elaine Drive, Pittsfield, MA 01201
- MARTIN C. HAYS, 5801 Goodland Avenue, North Hollywood, CA 91607
- PAULA M. ISOMURA, 14220 N. E. 64th Court, Redmond, WA 98052
- COLIN C. KELLEY, 78 Wyngaard Avenue, Piedmont, CA 94611
- GRACE LOUISE KNOX, 190 South Main Street, West Hartford, CT 06107
- ELEANOR CHAPMAN LENT, Route 3, Hill Street, Putnam Valley, NY 10679
- THOMAS W. SEIN, Route 2, Box 288, Hudson, WI 54016
- JEAN CHAPMAN SMON, 4223 58th St. CT, N.H., Gig Harbor, WA 98335
- JILL TELFER, 511 Knox Place, Joliet, IL 60435

The entire account is too lengthy to print in this issue. Since we want to give all families "equal time" we do not plan to continue it for several issues. If there are enough who are interested the entire account will be published as a book, complete with index of Chappies and spouses. The cost of the booklet will be \$12 or less. Don't send payment, but if you are interested in the booklet let us know. If enough show interest we will proceed and advise of the price and order date.

The numbers in this account are not the same as those in the source book. Your comments, corrections and additions are solicited.

CHAPMAN EXCHANGE

14-299 **Marsha J. Buck** 31 Road 5323, Farmington, NM 87401 descends from two Chapman lines. One is well documented and the other is new to us. Marsha is the granddaughter of **CHARLOTTE CECILIA CHAPMAN** born 1868 in Greenwood Kansas. Her great great grandmother was **ALMEDA AUGUSTA CHAPMAN** born 1841 in Lorain County, Ohio. Almeda Chapman married **OREN LEMUEL CHAPMAN**. Almeda was the daughter of **ORVIS A. CHAPMAN** born about 1811 in New York, married **Electa Minerva BUCK** August 1 1832 in Lorain County, Ohio. Orvis and Electa died in Kansas. This is as far back as she has been able to trace this line. Oren L. Chapman, the husband of Almeda, was married four times, and Almeda was his second wife. Oren was the son of **REUBEN CATES CHAPMAN** born 1813 in Connecticut. Reuben's father was **OREN B. CHAPMAN** born 1787 in Connecticut. Oren B. Chapman was the son of **REUBEN ROWLEY CHAPMAN** who married Mary **DOANE**. From here the line can be traced back to **ROBERT CHAPMAN** born in England about 1616 and whose descendants are well documented in Rev. F. W. Chapmans 1854 book on the family.

14-300 **Robert B. Chapman** 1745 S.E. 46th Lane, Apt 202, Cape Coral FL 33904 wrote: "This is further to Inquiries 4-101 and 8-201 regarding my grandfather **FRANK (FRANKLIN) CHAPMAN**. As indicated in 8-201 we found a **JOHN L. CHAPMAN**, age 24 in the 1860 census of Muskingham County, Ohio. Included in the family were his wife Anna, age 26; two sons, **CHARLES CHAPMAN** age 4 and **FRANK CHAPMAN** age 2 plus a daughter **MAY CHAPMAN** age 10 months. We have been lead to believe that Charles moved to the Chicago area sometimes around 1880 and lived there for some time, possibly the rest of his life. It may be that some of our Chicago area Chapmans may have some information regarding this Charles which would be helpful in filling in our gaps."

14-301 **Joseph W. Dix** 2806 Wisconsin Avenue, Joplin MO 64801 is the son of **LULU GERTRUDE CHAPMAN** born 1884. Lulu's father was **JOSEPH WESLEY CHAPMAN** born 1859 in Russell County, Virginia. His father was **THEOPHILUS CHAPMAN** born April 23 1833, probably in Virginia as he died there in Washington County in 1862. Any information on these Chapmans would be greatly appreciated by Mr. Dix and the editor.

14-302 **Carol G. Johnson** Star Route Box 431A, Spooner, WI 54801 is interested in **EMMA CHAPMAN** born 1867 in Sheboygan County, Wisconsin. She was Carol's husband's great grandmother. Emma was the daughter of **JOHN CHAPMAN** born December 12 1824 in Watertown, Jefferson County, New York. He married Lany **PRICE** who was born in 1834. Carol needs help badly on John Chapman and his parents.

14-303 **Helen Bell Leverton** 54B Pine Lake Drive, Whispering Pines, NC 28327 was referred to us by Chappie Gervaise Wynn Perdue. Mrs. Leverton wrote: "My connection with Chapmans comes from the marriage of Thomas Jefferson **DOZIER** to **CHARITY WILLIAMS CHAPMAN** in 1824 in Warren County, GA. When Charity died he married **MARY CHAPMAN** in Jasper Co. Ga. in 1836... This data led me to the Chapmans in the neighboring county of Chatham here in N.C. and I have some leads on a large family there. The name Charity is used often in the data I have in N.C. but I cannot pinpoint

CORRECTIONS

We made a major transposition error in the family group record of WESLEY CHAPMAN in the May issue (#12) page 3. Wesley was the son of EDMUND CHAPMAN and Nancy DANIEL. The HENRY CHAPMAN and Elizabeth MORRIS shown as his parents by mistake were his grandparents.

Several readers have sent comments pertaining to the JOHN CHAPMAN databank printed in the May issue (#12). We appreciate this type feedback and encourage all readers to please tell us of omissions and errors. The numeric references in the following paragraphs pertain to the page number and record number (page/record).

14/44 & 45 This JOHN CHAPMAN is the ancestor of Elsie Chapman Edmonds who has published a book on his descendants. She showed his birth as unknown. Mildred Chapman Gibbs, the author of the book mentioned in relation to the genealogy printed in this issue, showed him as (1701-1776) and that was our source for the 1701. We believe that John was born later than 1701 as his last child by his second wife was born about 1774. His first child was born about 1739 so we would estimate his year of birth to be about 1719. The date we showed for the marriage of John Chapman to his second wife Mary ALLEN is incorrect. That is her date of birth. We would estimate they were married about 1759 as her first child was born in June 1760.

15/106 Thomas L. Jenner informed us that Hannah BRAINERD the mother of this John Chapman was Hannah SELDEN who married Daniel Brainerd and was widowed.

17/162 & 163 Laverne Raisch pointed out an error in the mother of this JOHN CHAPMAN. Oney LEAGUE, the mother we showed would have been his step mother. His real mother was Ann WHITEHEAD.

Readers Beware

Laverne Raisch asked that we please warn readers to be careful about using McGee Publications, Prescott Valley, AZ. She ordered books and maps from them and has never received her order. Three follow-up letters were unfruitful except that one sent "registered receipt requested" did result in a receipt. Laverne has been in touch with the Better Business Bureau, Post Office Mail Fraud Division and a newspaper "Help" columnist. She says they have been in touch with McGee, but she still does not have her books and maps.

CHAPMAN GENEALOGIES EXPLANATION

Each of the Chapman genealogies will be published with some explanation as to our sources and those related to that line. In this issue, in which we are introducing the format of the genealogy, we will explain each of the columns. We will not repeat this explanation in every issue. You will find the format not unlike the one used most recently for the data bank. The main difference is that the genealogies are by family and contain all we know about families of that line, while the databank was arranged alphabetically by name irrespective of family or line relationship. You will get the most from the compilation if you will read the balance of this explanation.

You may have noticed that we no longer copyright our publications and you are not only authorized to make copies, we encourage it. If you copy all or part of the genealogy for yourself or for others, please copy also this explanation and the appropriate footnotes at the end of the genealogy, if any (none in this issue).

The following explanation of the format and general content of the genealogy is provided for those who are not familiar with our computer printouts. The compilation is arranged in a very common genealogical format by generation. If we have information on the children of a male Chapman then a "+" is entered as described below and the children are listed in the next generation.

DATE FORMATS Before dealing with the individual columns a comment on dates which are somewhat uncommon. All the dates in our computer products are expressed by year, month and day without any spacing. The arrangement permits a straight forward arrangement by date with the computer. The absence of spaces or characters is merely a space saving technique. A date followed with "CA" means circa or about that date and in most cases is probably not more than a couple years off. An "E" after a date means we have estimated the date. While most of our estimates have proved to be within about 10 years they could be 25 years or more off. A date followed by a "<" means the event was before the date and one followed by ">" means the event took place after the date.

LOCATION FORMATS When information is given on places the entry is usually the state abbreviation followed by a four letter abbreviation of the county or parish. Entries with "?" mean the state and/or county is questionable. If a town name was provided us and we could not determine the county then we used the first four letters of the town and showed them in lower case. An entry such as "WV / OH" means we are not sure, but most likely the event took place in one of the two states shown.

Column 1 (GENERATION) identifies, in Roman Numerals, the generations.

Column 2 (REG. NO.) is the register number of the person. Slightly offset to the left and on a "title" line at the beginning of each family, is the register number of the family. Every person in the compilation is numbered and decimal numbers are used for each union in the event of multiple marriages. If there is a "+" to the left of the persons register number it means that information on that person's (couple's) children appears in the next generation under that register number which is identified on a line printed above

above)

Column 16 (BIRTH PLACE) is for the birth place of the spouse, and should not be confused with the CHAPMAN birth place in Column 6. (See explanation for location format above)

Column 17 (DATE DIED) is for the date of death of the spouse and should not be confused with the CHAPMAN death date in Column 7. (See explanation for date format above)

Column 18 (PLACE DIED) is for the place of death of the spouse and should not be confused with the CHAPMAN place of death in Column 8. (See explanation for location format above)

Column 19 (OE - OTHER EVENT) As just explained the events of birth, marriage and death are provided for in their own columns. There are many other events that are of significance to family history and they are sometimes identified in this column with date and place in the next two columns. Another use of this column, and the two that follow, is to provide information on alternate or conflicting dates shown in other columns. The key is in the code shown in column 19. If there is a B=Birth, X=eXpired (died) or U=marriage (Union) in column 19 it means alternate/conflicting data is being shown. The alternate date (or maybe place) is shown in column 20 (or 21) and the other column is filled with "XXXXXX" if the alternate data pertains to the Chapman. If the data pertains to the spouse the column is filled with "SSSSSS". This may sound confusing here, but it will be clear when you see the entries. Other event codes used in column 19 are: I=Immigrated, D=involved with a land Deed or similar transaction, V=moVed, R=Resided, Z=DIVORCE and O=adOpted. A "?" in this column means we question some or all of the data on this line.

Column 20 (O EVENT DATE) is the date for the event described by the code in Column 19. (If you have not read that explanation you should do so)

Column 21 (O EVENT PLACE) is the place of the event described by the code in Column 19.

Column 22 (REMARK) provides remarks or may refer to footnotes which are explained at the end of the genealogy. We are particularly interested in receiving all kinds of information for footnoting our Chapman cousins and families. Military records, professional accomplishments, anecdotes, migrations etc. In the final publication (booklet or future newsletter) these footnotes and other such information will be included as narrative comments after each family group rather than as separated footnotes. We are also interested in any photographs that might be available for inclusion in the final edition.

COULD THIS JAMES HAVE BEEN A BROTHER OR KIN OF WILLIAM CHAPMAN, THE REPUTED FATHER OF MERCY (CHAPMAN) RAYMOND? JAMES CHAPMAN SEEMS TO HAVE BEEN BORN AUG 5, 1685 AT BARNSTABLE, SON OF ISAAC CHAPMAN. THERE WAS ALSO AN ISAAC CHAPMAN MARRIED ABOUT THIS TIME IN ROCHESTER, BUT I LACK DETAILS. LONG SHOTS INCLUDE DESCENDANTS OF EDWARD CHAPMAN OF ROWLEY OR OF JOHN CHIPMAN OF BARNSTABLE. I AM SORRY THAT MY INFORMATION IS SO SKETCHY, BUT I HAVE NOT FOUND RESEARCH ON THIS SURNAME TO BE EASY. ANY ASSISTANCE YOU CAN PROVIDE, INCLUDING PUBLICATION OF A QUERY, WOULD BE VERY MUCH APPRECIATED. I DID PUBLISH A QUERY IN THE NEHGR OF JULY 1980, BUT RECEIVED NO RESPONSE."

13-265* Mrs. Charlotte Burton (CB) 2222 Demille Road, Paradise, CA 95969 sent a family group record on PERMELIA CHAPMAN with the remarks "I am very much interested in information you might have on the CHAPMAN line. Do you have anything on the FOX?" Permelia born 1777 in Grafton County, New Hampshire, was the daughter SAMUEL L. CHAPMAN born 1741 in New London County, Connecticut, and married Hannah FOX. Two other Chappies descend from Samuel and we provided their name and address, but could not add to the line. We did add a little on the FOX line which we had received from one of the others. Can any of the readers help?

13-266 Mr. Donald V. Chapman (DVD), 1914 West Riverview, Decatur, IL 62522 was referred to us by a cousin and another Chappie, Kay Goggle who we introduced in the May issue. His father was JAMES E. CHAPMAN born 1891 in Macon County, Illinois and married Daisy B. SCHULTZ. James was the son of FRANCIS MARION CHAPMAN, SR. born 1852 in Sciota County, Ohio and married Mary Van DONGEN. Francis' father was ROBERT ROY CHAPMAN born 1823 and married Mahala Josephine MERCER. Robert was the son of JAMES CHAPMAN born about 1797, possibly in North Carolina who married Rebecca RADCLIFF. Donald and Kay are both anxious to learn more about James Chapman and his parents.

13-267 Maud Chapman (MC) 100 Vineyard Street, Lehigh Acres, FL 33936 is working on the Chapman family history, and particularly their lineage, for her grand nephew, Scott A. Chapman. Maud's parents were AMOS T. CHAPMAN, born 1871 in Williamson County, Illinois and Matilda SMITH born 1872 in Franklin County, Illinois. Amos was the son of JOHN A. CHAPMAN born 1845 and Elizabeth HOLBROOK. Who can help with this "new" John Chapman?

13-268 Nancy Gayle Chapman (NGC), P. O. Box 28266, Kansas City, MO 64118 (816 452 3455) traces her family to HENRY CHAPMAN born 1802-70 in Massachusetts. He married an Eliza, who was born in Rhode Island, about 1825. They moved to Rockford, Winnebago County, Illinois where they both died. She has an indication that Henry's father was born in Connecticut. Going back to Nancy and tracing her line we find her father is WARREN MELCHER CHAPMAN born January 17 1924 in Echo, Yellow Medicine County, Minnesota. Warren was the son of ELMER FRANKLIN CHAPMAN born June 24 1896 in Norwood, Carver County, Minnesota and his father was WARREN FRANKLIN CHAPMAN born April 19 1864 in Rockford

program, she advised she was much more interested in the Chapmans. Here is part of her letter: "I AM DESCENDED FROM A WILLIAM CHAPMAN B. CA 1815, WHO IN 1840 IN OTSEGO COUNTY, NY, MARRIED MARY BROOKS, DAUGHTER OF CHARLES AND MARY BROOKS OF MIDDLEFIELD, OTSEGO COUNTY. WILLIAM AND MARY BROOKS CHAPMAN HAD A DAUGHTER MARTHA A. CHAPMAN, B. 19 JULY 1841, IN NEW YORK. WILLIAM CHAPMAN DIED (EITHER IN NEW YORK OR ILLINOIS) AND BY 1844 MARY BROOKS CHAPMAN MARRIED RICHARD DEAN IN MCHENRY COUNTY, ILLINOIS. MY DESCENT IS THROUGH MARTHA CHAPMAN. THERE WAS A WILLIAM CHAPMAN ('SR.') IN THE 1830 CENSUS IN MIDDLEFIELD, OTSEGO, NY, AND I AM ASSUMING THAT HE MIGHT BE THE FATHER OF THE WILLIAM WHO MARRIED MARY BROOKS. DO YOU HAVE ANY IDEA WHO 'MY' WILLIAM MIGHT BE? DO YOU KNOW OF ANYONE WHO MIGHT BE WORKING ON CHAPMANS OF OTSEGO? ANY SUGGESTIONS OF WHERE I MIGHT TURN? We could not help with William, but we did send the names and addresses of two of you Chappies who are readers of the Newsletter.

13-273* Veronica Dill (DIL), RR 1, Box 106, Iuka IL 62849 wrote: "...BELOW FIND ALL THE INFORMATION I HAVE ON MY GRANDFATHER WALTER CHARLES CHAPMAN AND THE PLACES AND DOCUMENTS I HAVE. I HOPE YOU UNDERSTAND THAT I AM A RANK AMATEUR AND WOULD APPRECIATE ANYTHING YOU HAVE THAT MIGHT HELP ME GO BACK FARTHER IN MY RESEARCH. I CAN'T SEEM TO GET A LINE ON HIS PARENTS." The following is a summary of the information she provided. WALTER CHARLES CHAPMAN was born May 1 1897 in Burke County, North Carolina and he died August 19 1960 and is buried in Hildebran, Burke County, North Carolina. He married (1) Mary Lou GIBSON September 23 1917 in Altavista, Campbell County, Virginia and (2) Carrie BRITTAIN. Walter had four sisters who were BERTHA CHAPMAN FOSTER, MINNIE CHAPMAN YOUNG, ALICE CHAPMAN WILKE, and MARY CHAPMAN GIBSON. His father was a JOHN CHAPMAN and his mother may have been a Mary BUTLER. (The name is listed under John's without any indication as to who she was and I failed to write for clarification) It is really JOHN CHAPMAN that Veronica most wants to learn more about.

13-274 Mr. and Mrs. Alton C. (Elaine) Gardiner (AG), P. O. Box 83, Norridgewood, ME 04957 both have Chapman ancestors. ELIZABETH CHAPMAN born August 24 1730 Marblehead, Essex County, Massachusetts was Alton's fourth great grandmother. She married Daniel WHITE July 11 1753. Elizabeth was the daughter of JOHN CHAPMAN born May 15 1702 in Solon, Somerset County, Maine. John married Hannah HAYWOOD December 29 1725. John's father was another JOHN CHAPMAN born July 7 1675 in Ipswich, Essex County, Massachusetts who married Elizabeth COOK February 15 1700/1. John's father was still another JOHN CHAPMAN born 1650 in Ipswich who married Rebecca SMITH in 1676. John was the son of the immigrant EDWARD CHAPMAN who was born about 1617 and married Mary SYMONDS. This lineage does not agree with one which has been published. The following is part of what we wrote to Mr. Gardiner: "...THERE IS AN 1893 BOOK ON THE DESCENDANTS OF EDWARD CHAPMAN AND MARY SYMONDS AND LIKE YOUR RECORD IT SHOWS HIS SON JOHN CHAPMAN MARRIED REBECCA SMITH. FROM THERE THOUGH, YOUR ACCOUNT, AND THE ONE IN THE BOOK ARE DIFFERENT, AND I HAVE NO IDEAS AS TO WHICH IS CORRECT. ACCORDING TO THE BOOK, JOHN, THE SON OF JOHN AND REBECCA SMITH, MARRIED ELIZABETH DAVIS OCTOBER 28 1702. THEY HAD A SON NAMED JOHN BORN JANUARY 2 1715, AND HE MARRIED JOANNA PERKINS. THAT IS AS FAR AS THIS LINE GOES IN THE BOOK. WE HAVE ALL THE LDS IGI FOR MASS. AND WE DO SEE THAT A JOHN CHAPMAN MARRIED ELIZABETH COOK, AND A JOHN CHAPMAN MARRIED HANNAH HAYWOOD, BUT WE SEE

13-279 Mrs. Margaret Chapman Heuring (MAH), Route 1, Box 380, Chaffee, MO 64740 is the daughter of BILLY SUNDAY CHAPMAN born 1916 and Gladys SCISM, and she is related to one of earliest Chapman contacts, Betty McDonald (see next inquiry). Margaret's grandparents were GEORGE EDWARD CHAPMAN and Mella Clarence REED. George's parents were GIDEON ABNER CHAPMAN born 1852 in Virginia and Elizabeth H. FORD (his first of three wives). Gideon was the son of JOHN CHAPMAN, who was born about 1808-09 in Virginia and Lucy A. BOWMAN. Margaret wrote about our John list in the last issue, but read more about that in the following inquiry.

13-280 Mrs. Betty McDonald (BM), 9801 Pontiac Lake Road, Pontiac MI 48054 has been with us since we started in 1982 and over the past several years has sent us several updates of her family group record. We published an inquiry for her in the second issue, but have not updated her information since, and I note that the latest issue of the directory does not have her complete lineage either so the following will update her line. Mrs. McDonald is the great granddaughter of SOPHIA ELIZABETH [LIZZIE] CHAPMAN who was born 1849 in Virginia (WV) and married William B. ROBINS March 31 1867 in Cape Girardeau County, Missouri. Sophia was a sister to GIDEON CHAPMAN mentioned in the inquiry above. Her father was JOHN CHAPMAN born Putnam County, VA (WV) who married Lucy A. BOWMAN. In the previous issue in the John list I identified the parents of John Chapman to be JOSEPH CHAPMAN and Lucy MORRIS. My source for the last couple came from Mildred Chapman Gibbs' book *FROM CULPEPER COUNTY TO THE TEAYS VALLEY* Revised 1978, HARTFORD, WV 25247, from which I quote a paragraph: "THE CHILDREN OF JOSEPH AND LUCY (MORRIS) CHAPMAN WERE: ... JOHN CHAPMAN. I HAD GREAT DIFFICULTY WITH THIS ONE, SINCE THERE WERE SO MANY JOHN'S IN THE FAMILY. IT SEEMS EVERYONE HAD ONE. THE ONLY ONE I THOUGHT WOULD POSSIBLY FIT WAS THE JOHN WHO MARRIED LUCY A. BOWMAN IN 1848. THIS WAS ABOUT THE SAME PERIOD OF TIME THE OTHER BOYS WERE MARRYING, AND THOUGH THERE IS NO PROOF, I THINK THIS IS THE BROTHER OF ERASMUS. IN THE 1850 CENSUS OF PUTNAM A JOHN CHAPMAN, AGE 41 (BORN 1809) IS LISTED. HE GIVES HIS OCCUPATION AS A BOATMAN. HIS WIFE IS LUCY A. CHAPMAN, AGE 23. A SOPHIE B. CHAPMAN, AGE 10 IS LISTED. IT IS POSSIBLE THAT SHE IS A CHILD BY A FORMER MARRIAGE. NOTE THE DIFFERENCE IN AGE BETWEEN JOHN AND LUCY. ALSO, A GEORGE BOWMAN, AGE 13, WAS LIVING WITH THEM. PROBABLY A BROTHER OF LUCY'S. JOHN DID NOT APPEAR ON ANY LATER CENSUS IN THIS AREA". Does any reader have further evidence to support the theory that John Chapman was the son of Joseph?

13-281* Mrs. Clark (Karen) Judy (KJ), 5858 Henderson Drive, Delaware, OH 43015 had just recently moved to Ohio when we contacted them. Karen is the second great granddaughter of SARAH ANN CHAPMAN, born November 26 1843 in Licking County, Ohio and she died August 1 1920 in Diagonal, Ringgold County, Iowa. She married Joseph A. CARR in 1862 in Woodford County, Illinois. Sarah was the daughter of JOSEPH CHAPMAN born about 1803 in Ohio and Elizabeth, born about 1809 in Virginia. In her letter she wrote: "I HAVEN'T BEEN ABLE TO GET VERY FAR ON THE LINE SO AM HOPING THAT YOU MIGHT HAVE SOME INFORMATION THAT WILL HELP". We were able to find Sarah and Joseph in the 1854 book about the Chapman family and traced the line back to Robert Chapman the immigrant for her.

vi. Christopher C. Chapman, born May 28 1837 [1838], in Lawrence County, Indiana, married Elizabeth -----, also moved to Illinois and then on to Sherman County, Nebraska;

vii. Rosella S. Chapman, born February 6 1840, probably in Lawrence County, Indiana;

viii. Elizabeth Chapman, born July 31 1843, probably in Lawrence County, Indiana;

ix. William Harvey Chapman, born November 13 1845, probably in Lawrence County, Indiana, married Emma GOOCH 1873 in Cumberland County, Illinois, moved to Sherman County, Nebraska;

x. Malissa A. Chapman, born November 21 1848, probably in Lawrence County, Indiana;

xi. Harriet E. Chapman, born July 15 1852 probably in Lawrence or Greene County, Indiana.

1/ One account, apparently coming from a descendant of Nathan shows him to be Nathan S. born August 29 1832, a twin to Maria S., but this account seems to be less reliable than the others.

(It is interesting to note that in the various records we have some accounts that show Aquilla as a male and others as a female.)

13-285* Geneva D. Mitchell (GDM), 188 Temple Avenue, Long Beach, CA 90803 is another who has very little on her Chapman ancestor. She is a sixth great granddaughter of ELIZABETH CHAPMAN born 1651 in Stamford, Fairfield County, Connecticut, died 1696 and married John JUDSON 1673 in Woodbury, Litchfield County, Connecticut. Geneva does have information that the parents of Elizabeth were JOHN CHAPMAN and Martha.

13-286* Casandra C. Moreland (CCM), 2021 Yosemite Drive, Loda CA 95240 is the one interested in genealogy, but she is a quadriplegic so her mother, Melba R. Hutchison helps her with correspondence, etc. They are interested in NANCY CHAPMAN born about 1790 in Virginia, died between 1850 and 1860 in Louisa, Lawrence County, Kentucky, and married Josef [Joseph] WELLMAN March 20 1809, probably in Virginia.

13-287* Isaac Arthur Nelson (IN), 19 North 200 East, Cedar City, UT 84720 is the 9th great grandson of ALICE CHAPMAN of Saxlingham, Norfolk, England who married Thomas BROWNE. Alice was the daughter of THOMAS CHAPMAN son of ALEXANDER CHAPMAN. While our data on Chapmans of England is very limited, we were able to refer Mr. Nelson to two others who descend from this line. Some of you may be interested in these as potential ancestors, or you may be able to add to Mr. Nelsons' very skimpy information on them.

13-288 Mrs. Nancy Penick Parker (NPP), 10121 Welch Drive, Louisville, KY 40272 is the great granddaughter of NANCY JANE CHAPMAN who was born 1843 in Adair County, Kentucky and married Lorenzo GRIMES there in 1913. She was the

13-291* Mrs. Marion D. Pritchard (MDP), 10213 Desert Rock Drive, Sun City, AZ 85351 is the great granddaughter of HENRY Y. CHAPMAN born 1833 in Ohio. His father was born in New York and his mother was born in Ohio. He married Louisa CRIDER who was born in New York and her father was born in Germany, and her mother in New York. We searched our several publications with New York and Ohio Chapmans and the LDS IGI and could not help. We received a later letter and I'll quote most of it as it might provide a clue so that you can help Mrs. Pritchard: 'RECENTLY I SPENT TIME DOING RESEARCH AT THE MORMON LIBRARY IN SALT LAKE CITY. THE ONLY 'LINK' I COULD FIND WAS THAT A HERVERY CHAPMAN (SOMETIMES SPELLED HARVEY) WAS BORN IN SAYBROOK, CONN. ON APRIL 14, 1788, SON OF LEVI CHAPMAN AND ELIZABETH HULL. LEVI CHAPMAN MOVED TO MARIETTA, WASHINGTON CO., OHIO WHEN HERVERY WAS SEVEN YEARS OLD. ONE SOURCE SAID HERVERY LIVED MOST OF HIS LIFE IN MARION COUNTY, OHIO. THE 'LINK' I MENTIONED WAS TAKEN FROM THE CHAPMAN FAMILY, DESCENDANTS OF ROBERT CHAPMAN, ONE OF THE FIRST SETTLERS OF SAYBROOK, CONN BY REV. F. W. CHAPMAN, A.M. ON PAGE 51 THE AUTHOR SAID HERVERY CHAPMAN, SON OF LEVI CHAPMAN, MARRIED RUTH HILL AND THEY HAD NINE CHILDREN. HENRY Y. WAS NOT MENTIONED, BUT THE BOOK SAID THAT IN THE FALL OF 1859 HERVERY CHAPMAN MOVED TO BRIGHTON, WASHINGTON COUNTY, IOWA. MY GREAT GRANDFATHER OWNED FARM LAND IN KEOKUCK COUNTY, IOWA, THE COUNTY ADJOINING WASHINGTON COUNTY, IOWA. THE REPLY TO MY INQUIRY TO THE COUNTY RECORDER OF WASHINGTON COUNTY, IOWA BROUGHT NO RESULTS. ANOTHER BOOK, THE HISTORY OF WASHINGTON COUNTY, OHIO SAID THAT HERVERY CHAPMAN LIVED IN KENTON, HARDIN COUNTY, OHIO UNTIL HIS DEATH AT AGE 93. I HAVE RECEIVED NO REPLY TO MY INQUIRY TO KENTON. WOULD ANY OF THIS INFORMATION TIE INTO WHAT YOU HAVE? THE CHANCE THAT HERVERY CHAPMAN LIVED IN IOWA IN A COUNTY JOINING THE COUNTY WHERE MY GREAT GRANDFATHER LIVED AND WHERE MY GRANDMOTHER, SARAH ASENECH CHAPMAN WAS BORN IS THE FIRST POSSIBILITY I HAVE FOUND. THANK YOU FOR ANY SUGGESTIONS YOU MAY HAVE.'

13-292* Mrs. Marietta J. Roth (MJR), 27230 State Road, 9 NE, Arlington, WA 98223 is the granddaughter of MARY JANE CHAPMAN born 1869 in Schuyler County, Illinois. Mary Jane, the daughter of JOHN C. CHAPMAN married George J. GOUKER. John C. CHAPMAN, born 1844 in Schuyler County, married Sarah E. BLYDENBURGH. John's father was NATHANIEL CHAPMAN born 1808, possibly in Tennessee and he died in 1875 in Sullivan County, Missouri. Nathaniel married Serena DAWSON. She thinks the father of Nathaniel was probably a SAMUEL CHAPMAN.

13-293* Linda Staten (LLS), Box 481, Prescott, AZ 86302 is a descendant of MADGE MOLVIRGIN CHAPMAN born August 29 1895 in Willard, Carter County, Kentucky. She died July 25 1985 in Prescott, Yavapa County, Arizona. She married (1) Francis Marion SAVAGE and (2) Cecil Claude HEFFELFINGER. Madge was the daughter of GREENVILLE CHAPMAN and Martha SALYER. At the time we responded to Linda we did not have the LDS IGI for Kentucky. We have received it and find only a couple of entries for Carter County. There is one entry which gives a clue for a possibility to check out. In July 1869 JACOB NEWTON CHAPMAN and his wife Mary Jane BONZO registered the birth of a child. (We are not suggesting this child might have been Greenville Chapman, only that they were there at the time of Greenville's probable birth) If I were working on the research I'd like to eliminate Jacob before spending too much time elsewhere, and the 1880 soundex of Kentucky would be a good starting place. Who has access to it?

CHAPMAN FEEDBACK ADDRESS CHANGES

New addresses have been provided as follows:

WAVING CHAPMANS

In the July 25 1986 issue of the *ST. LOUIS POST DISPATCH* there was an editorial under the title "WAVE IF YOU LOVE PEOPLE." It told of a SAM CHAPMAN who is taking after his father CLARENCE CHAPMAN. The latter had been sitting by the intersection of Walnut Street and Route 51 in Tamaroa, IL for about 16 years waving at the cars that go by. Now Sam is doing the waving. Clarence had better things to do, but forced out of farming by economics and out of the foundries by asthma, he started his own junk business. Sam, with a college degree in philosophy has joined him. Their business leaves time for waving and they wave at everybody who comes by friend, foe, stranger, regular neighbors or whoever. Folks have been known to turn around and come back by to be sure what they saw was true. Local people are so used to it that when they pass the area they honk and wave, even if the Chapmans are not there. All passers by are not so friendly and some even speed on by or occasionally yell obscenities. Sam applies his philosophy learning and they take it stride. He said: "We smile real big and wave back and think to ourselves it's real good that some folks are just passing through." If you are in the area, make it point to go by Walnut and Route 51 and wave.

CHAPMAN DATA BANK, G-FILE

The data bank in this issue needs little explanation as it is exactly the same format as used in the previous issue. We have introduced one new little technique. In some cases we had two records which circumstantial evidence overwhelmingly suggested applied to the same person. We combined these into one record and most of them are designated with a "+" in the OE column. There were others that seemed to apply to the same person, but we were not as confident about combining them and did not. They are mentioned in the comments below:

GARDINER, GARDNER, GARDNER P. - RECORD 18, 19 & 20. These three records, particularly the first two, appear that they may pertain to the same person. GEORGE (1736) - RECORD 59. There are some who believe the parents of this George are NATHANIEL CHAPMAN and Mercy DENNISON. GEORGE (1795E) - RECORD 106. Another account, not published, shows the marriage to be to SYNTHIA COLLINS February 16 1815 in Warren County, Kentucky. GEORGE (1800E) - RECORD 108 & 109. We think these two records are for the same person. GEORGE PRENTIS/PRENTICE - RECORD 129 & 131. The former is our projection or estimate of a possible ancestor of a Chappie. The latter is from a published record. If George Prentis actually is the ancestor, 131 is probably the correct record. GEORGE (1831E) - RECORD 239 & 240. It is possible that these two records pertain to the same person. GEORGE / GEORGE WASHINGTON (1834CA) - RECORD 261 & 262. These two also appear to be the same person. GEORGE N. (1841CA) - RECORD 308. It would seem that this is the same as record 303. GERTIE (1878/E) - RECORD 588 & 589. It is possible these two records pertain to the same person. GRISSEL/GRISSELL (1788-) - RECORD 756 & 757. Although these two records show different dates of birth, the names of parents suggest these two records might be for the same person, with one of the birth dates being an error.

13-294* Mrs. Beverly A. Stringham (BAS), 811 Cherokee, Oskaloosa, KS 66066 (913 863 2761) is the third great granddaughter of LOUISA CHAPMAN born May 11 1812, died December 4 1895 and is buried in the Chastain Cemetery near Nixa, Christian County, Missouri. She married John CHASTIAN who was born in Simpson County, Kentucky in 1807; and that may be a clue as to a possible birthplace of Louisa. Who can help with this one?

13-295* Mrs. Betty Lou Whaley (BLW), 14101 Hilma Circle, Mendocino, CA 95460 is the great granddaughter of ERVAETTE CHAPMAN born 1837 in Salisbury, Litchfield County, Connecticut. Ervaette married William Henry MYERS who was born in Columbia County, New York. Ervaette was the daughter of REUBEN CHAPMAN born 1800 in Litchfield County, Connecticut and he married Polly MERRIFIELD. Reuben was the son of another REUBEN CHAPMAN born 1760 in Middlesex County, Connecticut and who married Phebe ALLEN. Reuben's father was still another REUBEN CHAPMAN born 1733 in Middlesex County and who married Sarah LAY. (Mrs. Whaley is particularly interested in learning more about the ancestry of Sarah Lay's mother JEMIMA PRATT born July 18 1708 and the ancestry of Phebe ALLEN who was born 1733 in Connecticut). Continuing the lineage on back we find: JEDEDIAH CHAPMAN born 1703, SAMUEL CHAPMAN born 1672, ROBERT CHAPMAN born 1646 and ROBERT CHAPMAN born about 1616 in England. Although we could not help with the ALLEN and LAY surnames we were able to give Mrs. Whaley the name and address of another descendant of Reuben and Sarah Lay.

13-296* Joan G. Petersen (JGP), 1420 So 640 East, Orem UT 84058 is looking for information on MARY CHAPMAN baptized January 19 1793 in Chellaston, Derbyshire, England. She died 1860 and is buried in Derbyshire. She married Joseph BUTLER October 28 1817 in Chellaston. They resided in Denby, Derbyshire, England. Joan knows Mary's parents were JOHN CHAPMAN and Mary PEGG and that is all she knows. Maybe some of you with English connections will be able to help.

13-297 Mrs. R. D. (Laverne) Raisch, 2613 Cosmos Drive, NE, Atlanta, GA 30345 asked if any one knows where she can get a copy of or access to "a Genealogy book on the Chapman's of Caroline Co., VA. A Family History by Mrs. Lillian Chapman Hudson, pub 1894" If anyone has a copy we would also be interested in getting information on the Chapmans. If we can borrow a copy, we will make Laverne a copy.

13-298* David V. Willbanks, M. D. (DVW), 152 Shady Woods Road, Morristown TN 37814 is the second great grandson of REBECCA CHAPMAN born 1820 in South Carolina, died June 1890 in Trion, Chattooga County, Georgia and married John Nathan VEATCH 1848 in Cherokee County, Alabama. Rebecca was the daughter of JOHN CHAPMAN and ----- HENDRIX. Dr. Willbanks wrote that apparently the Chapmans moved to Cherokee County, Alabama in the 1830's because John Chapman is listed on page 151 of the 1840 Cherokee County, federal census. He has no idea where they originated in South Carolina. This John Chapman was not among the many in our latest listing. Maybe some of you can make a South Carolina connection for Dr. Willbanks.

daughter of BARNET CHAPMAN born 1819 and Malinda ESTES whom he married 1842 in Adair County. Barnet was the son of a JAMES CHAPMAN and Mary -----. Mrs. Parker needs some help on this James Chapman.

13-289* Mrs. Gervaise W. Perdue (GWP) 213 Bernard Drive, Warner Robins, GA 31093 (912 923 6314) is a descendant of AMBROSE CHAPMAN born 1804 in South Carolina, and she is seeking information on his parents. Ambrose married Elizabeth GRIGGS and he died April 1870 in Marion County, Georgia. We think it would be helpful to readers, and possibly to Mrs. Perdue, if we publish part of her letter: "I HAVE COLLECTED A LOT OF CHAPMAN INFORMATION DURING THE LAST 15 YEARS BUT I STILL HAVE NOT PROVEN WHO THE PARENTS OF MY AMBROSE CHAPMAN, B. 1804 S. C., WERE. MANY RESEARCHERS WITH WHOM I'VE CORRESPONDED HAVE TRIED TO TELL ME THAT HE WAS THE SON OF HENRY CHAPMAN (WILL MADE 23 MAY 1812) OF DARLINGTON CO., S. C. WHO NAMED A SON AMBROSE. I HAVE A COPY OF HENRY'S WILL AND HE WOULDN'T HAVE BEEN GIVING LAND, HORSE, COW & CALF, FEATHER BED AND FURNITURE TO AN 8 YEAR OLD SON, I DON'T BELIEVE. I THINK (NO PROOF) THAT ONE OF THE AMBROSE'S THAT LATER WAS IN BALDWIN, WARREN OR BIBB CO'S GA. WAS HENRY'S SON. HENRY'S WIFE (2ND WIFE) WAS SARAH GEE AND CHILDREN WERE: WILEY, RHODA, ALLEN, FRANCES, SARAH, CHARLES, WILLIAM AND AMBROSE. I AM SURE YOU HAVE HIS WILL. MY AMBROSE WHO LIVED IN MARION CO. GA. WHERE HE DIED STATED IN 1850 & 1860 CENSUSES THAT HE WAS BORN IN S.C. ALSO, AT THE SAME TIME AMBROSE HAD A BROTHER, ABNER CHAPMAN WHO WAS B. S.C. & WHO LIVED NEAR AMBROSE IN MARION CO. GA. HAVE YOU KNOWN A FATHER IN A WILL TO BEQUEST ITEMS TO HIS SMALL CHILDREN? IF SO, IT IS POSSIBLE THAT MY AMBROSE B. 1804 COULD BE A SON OF HENRY CHAPMAN AND SARAH GEE (2ND WIFE)." We would like to hear from you on your experience with wills leaving property to young children. Our response to Mrs. Perdue included the following: YOU WOULD NOT EXPECT A PERSON TO DENY A SON HIS HERITAGE JUST BECAUSE OF AGE, BUT I'M NOT SURE ABOUT 'PERISHABLE' ITEMS LIKE A HORSE, COW AND CALF. POSSIBLY THEY WERE PART OF HIS SHARE, AND ARRANGEMENTS HAD BEEN MADE FOR A GUARDIAN OR TRUST TO TAKE CARE UNTIL HE BECAME OF AGE." We did refer her to several others who are descendants of Ambrose.

13-290* Mrs. Jacquelyn Pettee (JP), 604 Lancaster Way, Redwood City, CA 94061 sent us one of the most complete and neatest sets of documentation we have ever received. It contained family group records, pedigree charts, descendancy charts, narrative, photographs, a genealogy and a list of 90 sources. Jacquelyn is the great granddaughter of ALTHA EMMA CHAPMAN who was born October 27 1877 in Sheridan, Isabella County, Michigan and died January 18 1962 in Sonoma County, California. Altha married Rollo Harris WORKS. Her father was JOHN HOLLEY CHAPMAN born May 12 1830 or 1831 in Mount Washington, Berkshire County, Massachusetts. He died July 19 1896 in Placer County, California. He married (1) Chloe REYNOLDS 1834 in New York and then married (2) Adelia WEST January 10 1877 in Big Rapids, Mecosta County, Michigan. John Holley was the son of CHASE [CHACE] CHAPMAN born about 1788 in either New England or England, married Mehetable HOLLEY about 1787. The father of Chase was probably STEPHEN CHAPMAN who died January 12 1810 in Mt. Washington, Berkshire County, Massachusetts. He married Penelope ----- who died December 5 1822 in Burlington, Hartford County, Connecticut. I am sure that Jacquelyn would be most appreciative for any help any reader might give her.

13-282* Mr. Richard A. Kestle (RAK), USAID, APO, NY 09284 wrote us from Morocco and provided information on his Chapman family. He sent information on five generations, with several family group sheets. These have been tabulated into a short genealogical sketch and will be published in the next issue. Richard's ultimate Chapman ancestor was HAINS CHAPMAN born about 1788 in New York who married (1) Polly HUGGINS and (2) Anna SEEKINS. Since we are publishing a comprehensive review of his line in the next issue we will not detail his lineage here, but he does need help on Hains.

13-283* Mr. Doyle King (DK), 1406 Kinghorn, Pocatello, ID 83201 writes that he is mostly concerned with CHAPMAN names originating from the Northeastern area of Suffolk County, England in the late 1600's or early 1700's. In addition to sending a pedigree on his line, he sent a family group record showing a Chapman in his wives ancestry, in the HAMP family. If I read his charts properly, Mr. King is the fourth great grandson of MARY CHAPMAN born April 17 1721 in Chediston, Suffolk, England where she married a William BALLS. Mary was the daughter of THOMAS CHAPMAN born about 1688 in Chediston, and he married Ann MILLS. (See #13-276 above) The Chapman found in his wife's family was a MARTHA CHAPMAN who was probably born about 1855 in England and married Hyrum HAMP 1875. Apparently the family was in Raunds, Northampton, England, close to the Suffolk County, border.

13-284* Tom Legoski (TFL), 22 Wilson Lane, Sheridan, WY 82801 is the third contact we have had from persons interested in AQUILLA CHAPMAN. We promised to combine all our bits and pieces together and print a family group record in this issue. Here it is, let us hear from you if you can add to it or correct anything.

AQUILLA CHAPMAN

Aquilla Chapman was born September 25 1801 [1802] in Kentucky and he died October 6 1884 in Litchfield, Sherman County, Nebraska. He is buried there in Litchfield Cemetery. Nothing is known of his parents. His death record does indicate his father was born in Kentucky and his mother was born in Missouri.

Aquilla had a brother, James, who died in 1847.

Aquilla married Jeston [Jeslow] Freelove WARREN November 22 1825 in Clark County, Indiana. Freelove was born July 14 1808 in Lee County, Virginia, the daughter of Aaron and Lovernia Warren. She died 1869 and is buried in Cumberland [Coles] County, Illinois.

Their children were:

- i. Eliza Jane Chapman, born November 9 1826, probably in Clark or Orange County Indiana;
- ii. James N. Chapman, born August 18 1828, probably in Clark or Orange County Indiana;
- iii. Mary Ann Chapman, born April 15 1831 in Orange County, Indiana, married James Wood PERKINS April 26 1853 in Greene County, Indiana, they moved to near Trenton in north Missouri about 1854 and then to Bourbon County, Kansas in 1859;
- iv. Maria S. Chapman, born August 29 1832, probably in Orange County, Indiana;
- v. Nathan L. Chapman, born January 25 1835 1, probably in Orange

NOTHING IN OUR RECORDS ON THE PARENTS OF EITHER OF THESE JOHN CHAPMANS". Maybe some of the readers can help us figure this one out. Although the relationship is not apparent, Elaine Gardiner's ancestor is MARIA CHAPMAN, who was born October 3 1804 and married Alanson INGHAM. Maria was the daughter of JEDEDIAH CHAPMAN born October 20 1776 who married Anna KELSEY, and the line continues on back to ROBERT CHAPMAN the immigrant, born about 1616. All of her line is included in the 1854 book on the family. The Gardiners are hoping to eventually find a connection between the two lines, but obviously this connection will have to be in England, probably in the 1500's.

13-275* Dave & Phyllis Giles (DDY), 1704 Main, Salmon, ID 83467. Dave is a descendant of WELCOME CHAPMAN, born July 24 1805 in Readsboro, Bennington County, Vermont. He died December 9 1893 in Sanpete County, Utah. Welcome was married several times, but the wife concerned in this inquiry was the first who was Susan Amelia RISLEY. Welcome was the son of BENJAMIN CHAPMAN born 1781 and Sibyl AMIDON. We have information that suggests Benjamin might have been the son of THROOP CHAPMAN who might have been the son of RALPH CHAPMAN. Proof of these possibilities or other information would be appreciated. We did advise them of these possibilities and of the name and address of another descendant of Welcome Chapman. If a reader is interested in more on the family we do have a family group record with information on ten children.

13-276* Dr. Chester E. Hamilton (CEH), Box 122, Gabriels NY 12939 is the fourth great grandson of MARY CHAPMAN born April 14 1721 in Chediston, Suffolk, England. She married a William BALLS. Mary was the daughter of THOMAS CHAPMAN who married Ann MILLS October 15 1713 in Chediston. Some of you with more extensive information on English Chapmans may be able to help Dr. Hamilton.(See #13-283 below)

13-277* Mrs. Jerry (Harriett) Harris (JH2), 10035 N. Calhoun, Portland, OR 97203 sent an extensive package on her husband's Chapman lineage. Jerry is the grandson of PRISCILLA CHAPMAN who was born 1877 in Monona County, Iowa and who married Elton RICHARDSON there in 1896. Priscilla was the daughter of HARVE MONROE CHAPMAN born 1845 in Rockingham County VA and his wife Elizabeth DAVIS. Harve's parents were JAMES LAWRENCE CHAPMAN born 1816 in Shenandoah County Virginia and Malinda Ann CARSON who he married 1870 in Clinton County, Iowa. Who can add to the record on James Lawrence Chapman?

13-278* Mr. H. W. Horton (HWH), Box 313, Galena, OH 43021 is the great great grandson of LYDIA CHAPMAN born August 25 1798-99 probably in Massachusetts or Connecticut. She died August 11 1874 in East Trumbull, Ashtabula County, Ohio. She married Henry HORTON November 28 1816 in Hartford County, Connecticut and they moved to Ohio about 1830. Several readers will find the following bit of *family tradition* interesting and some of you might find a clue here with which to help Mr. Horton: 'REGARDING THE PARENTS OF LYDIA-- MY ONLY INFORMATION FROM A DISTANT HORTON FAMILY MEMBER IS THAT 'THEY DIED WHEN LYDIA WAS YOUNG. LYDIA WENT TO WORK AND LIVED IN THE HOME OF PEOPLE BY THE NAME OF ALLEN. LATER, MRS. ALLEN DIED AND HER HUSBAND ASKED HER TO MARRY HIM. SHE FELT SO CLOSE TO HIS WIFE, SHE FELT SHE COULDN'T.' LYDIA LATER MARRIED HENRY HORTON.'

Winnebago County, Illinois. Warren Franklin's father was **WILLIAM CHARLES CHAPMAN** born 1830-32 in Washington County, New York and he married Malinda O'NEIL [NEAL] 1863 in Rockford. William was the son of Henry mentioned in the beginning. Surnames of other spouses were: PASKEWITZ, MELCHER, and PIEPER [PEIPER].

Nancy wrote that she has several books she would be glad to share info from: Winnebago County, IL Early Marriages 1836-1866; 1840 & 1860 Federal Census of Winnebago County, IL; Combined Atlases of Winnebago, IL 1871, 1892, 1905, and Atlas of Boone & Winnegago Counties, Illinois 1886; and Who's Who in Minnesota 1941.

13-269* **Peris C. Chapman (PCC)**, 797 Vale View, Vista, CA 92803 provided information on his lineage as follows: His father was **PERIS C. CHAPMAN** born August 7 1892 in Raymore, Cass County, Missouri, son of **WILLFORD CLAY CHAPMAN** born January 20 1850 in Tennessee son of **WILLISON CHAPMAN** born about 1807 who married Elvira. From the census data we were able to determine that Willison (Wilson) was born in South Carolina, and in data submitted by **A. L. Chapman** we could see a probable connection. We received another letter from Mr. Peris C. in which he wrote: "I RECEIVED THIS AND 4 OTHER SHEETS FROM A. L. CHAPMAN. THIS TIES US TOGETHER. IT ADDS 4 MORE GRANDFATHERS TO MY LINE. THANKS A LOT FOR YOUR HELP AS I WAS LOST." From the new information we now know that **WILSON CHAPMAN**, a minister, was born June 27 1807 in Sparetnburg County, South Carolina, died October 31 1868 and married (1) Elviria WOOD and (2) Charlotte PRINGLE. Wilson was the son of **EDMOND WILSON CHAPMAN** who was born August 9 1787 in Amelia County, Virginia and died March 2 1851 in Pike County, Illinois. Edmond's father was **JOHN S. CHAPMAN** born about 1758 in Amelia County, Virginia and married Mary DODSON. John was the son of **JOHN CHAPMAN** born 1735 in Amelia County, Virginia and Ann WHITEHEAD. His father was **SAMUEL CHAPMAN** who died about 1773 in Amelia County. There is a brief article on Samuel in the 1985 Chapman Directory.

13-270* **Carla Collier (CC2)**, 315 Warren, Charlotte MI 48813 is working with very little information. **ETHEL MAE CHAPMAN** was her grandmother and she was born July 19 1900, possibly in Michigan. She died February 23 1981 in Charlotte, Eaton County, Michigan. She married a ----- GRAY, divorced, and married Carl Eli FRENCH March 22 1923 in Kalamazoo, Kalamazoo County Michigan. Ethel Mae's father was a **WILLIAM CHAPMAN** and that is about all Carla knows about her Chapman ancestors. Maybe some readers with recent ancestors in Michigan will be able to help.

13-271* **Lila Cook (LC)** 6411 Bridget Drive, Anchorage AK 99502 is the great great granddaughter of **ALIDA A. CHAPMAN** born between 1843 and 1845 in Albany, New York and died 1899 in Philadelphia where she lived at 1208 Emily Street. She married James Smith LIDDELL who was born 1837 in Scotland. Ailda was the daughter of **WILLIAM H. CHAPMAN** born 1815 in New York. William married an Eliza or Elizabeth M. who was born 1822-23 in New York. According to the census William's father was born in England and his mother in New York.

13-272 **Mrs. E. J. Davis (EJD)**, 4501 Airlie Way, Annandale, VA 22003 contacted initially to ask about an Alford contact, but when she learned of our Chapman

EDITOR'S COMMENTS

This issue, like the previous one, is different because we have devoted so much space to the data bank and the exchange. In fact these are about the only features in this issue.

In May, after we received the names and addresses from the LDS family registry program from Thomas W. Seim we wrote to all of the registrants. Most of the exchange this time is based on responses to our letters. They are identified with an "*" immediately following the inquiry number.

We think the "G-File" of the data bank will help many of you with your search for Chapman ancestors so we are publishing the complete file rather than splitting it in two issues.

In the next issue we will introduce a new method of reporting on Chapman lines, genealogies or sketches. We had planned to publish a report on a Chapman family reunion here in Missouri in August in this issue, but we will save that for the next issue and will also publish that family lineage. The exchange in that issue will probably be very abbreviated.

We have received several very complimentary remarks about the 1985 Chapman directory. If you did not order your copy, they are still available for \$15. This 145 page publication is one of the most effective tools for Chapman research ever published. Since the book was published with almost 50% more pages than planned when the original price was established, we will increase the price to \$18 after November 30.

CHAPMAN EXCHANGE

Our policy on inquiries is that anyone who has an interest in CHAPMAN family history may submit an inquiry. We believe a policy of limiting inquiries to subscribers or charging non-subscribers for inquiries, would cut off many sources of valuable Chapman information. We do not limit the length of the inquiry, nor is there a limit on the number that may be submitted or the frequency of submission. Our reporting a particular Chapman lineage in the exchange does not mean that we necessarily agree with the lineage as reported by the CHAPPIE. If we have any serious disagreements, we have usually already informed the CHAPPIE concerned. The "(*--)" recently introduced has not proved to be worth the time and effort required to include it, therefore is discontinued. We have added in the issue the Chappie code, and if known, their phone number. You might want to add these to your directory. If you can help any of these Chappies please let us know, or let them know, but send us a copy so we can add the information to our files.

13-264* Mr. Thomas Lynn Avery (TLA), 2020 Cheyenne Way #237, Modesto, CA 95356 wrote a most interesting and informative letter. It would be best if we just quote most of his letter: "I AM HAPPY TO TELL YOU WHAT LITTLE I KNOW OF MY CHAPMAN ANCESTRESS, MERCY, MARCY, OR MARY (CHAPMAN) RAYMOND. BENJAMIN RAYMOND MARRIED MERCY CHAPMAN ON NOV 17 1737 AT ROCHESTER, MASS (VITAL RECORDS). ... MARY RAYMOND, WID OF -----, DIED AT HARDWICK, MASS, MAY 26 1806 AGED 86 (HARDWICK V-R). THE PARENTS ARE UNKNOWN TO ME. SOMEONE BELIEVED THEY WERE AS FOLLOWS: 'CHAPMAN. WANTED INFORMATION ABOUT WILLIAM AND DEBORAH CHAPMAN, WHOSE DAUGHTER MERCY D MAY 26 1806 M. BENJAMIN RAYMOND ...' THE PRECEDING QUERY APPEARED IN THE AMERICAN GENEALOGIST 1932- 33, VOL IX, PAGE 189, BUT I FOUND NO EVIDENCE IN SUBSEQUENT ISSUES OF A RESPONSE. I HAVE FOUND SEVERAL REFERENCES TO MEMBERS OF THE CHAPMAN FAMILY IN ROCHESTER, MASS AT THIS TIME, BUT NOTHING WHICH DIRECTLY TIES TO MERCY WHO MARRIED

Descendants of

JOHN CHAPMAN and Jane Donaho

In 1972 Mildred Chapman Gibbs wrote *FROM CULPEPER COUNTY TO THE TEAYS VALLEY, The Story of The John and Jane Donaho Chapman Family and Those Related by Marriage*. A revised edition was published in 1978. The latest word is that Mrs. Gibbs has only two or three copies left. Her address is Hartford, WV 25247. Much of the material in the following genealogy came from her book. Our genealogy contains just the cold vital statistical data. Her book has much background information on the many persons and families. While our genealogy is restricted to those with the Chapman surname the book follows families of the females and has information on some of the other lines marrying into the Chapman families. **Margaret A. Chapman Heuring** supplied us with the information on the branch of the family that settled in southeastern Missouri. The photographs and the report of the family reunion came from her. **Betty McDonald** is also a descendant of this line and she provided information on several of the families related to her. **Barbara Thompson** is another descendant who has been very helpful with information. The most recent connection is **Marcia K. Feese** and she sent information, some of which did not get included in the following compilation. Marcia is a descendant of the Chapman family that settled in Henry County, Missouri. We are expecting additional information from Mrs. Feese. In the May issue (#12) we published a photograph and family group record on the ancestor of **Betty J. Craig (Mrs Guy A.) Swanson**. That family belongs to this line and is repeated herein. (See *CHAPMAN FEEDBACK* on page 5 for a correction to the May issue on this family) ★

It is our plan to someday print a "final" version of this family, either in a newsletter or booklet. All who have information on any branch of this family should send us their information if they wish to have it included.

Genealogy Remarks

There was no need for footnotes for this genealogy but there are a couple of abbreviations or symbols shown in the Remark Column. "???" means there is some question about this person belonging to the family. "dsp" means the Chapman died without issue. One comment is in order. **Betty McDonald** has been in recent contact with **Mildred Chapman Gibbs** and reports that she now believes that **JOHN CHAPMAN** (register number 21.2) was the son of **HENRY CHAPMAN** (register number 5), rather than the son of **JOSEPH CHAPMAN** (register number 4) as we have shown it in the genealogy.

* I almost overlooked **MRS MARGARET FREUDENBERG** who provided us much of the information in the genealogy.

the family. The format of this family title line is:

* Reg # (Number) Family of CHAPMAN, (First Name) & wife (her name)

There are separate groupings for multiple wives.

Column 3 (C#) is used for the enumeration of the children within a family. Alphabetical characters were used to preclude confusing them with the register numbers.

Column 4 (NAME OF CHAPMAN "CHILD") lists the first and middle name/initial of the children in each family. "??" following the names mean we are not sure this child belongs in this family.

Column 5 (BIRTH DATE) shows the date, or approximate date, of birth of the CHAPMAN child. (See explanation of date formats above)

Column 6 (BIRTH PLACE) shows the place of birth of the CHAPMAN child. (See explanation of location formats above)

Column 7 (DATE DIED) shows the date of death of the CHAPMAN. (See explanation of date formats above)

Column 8 (PLACE DIED) shows the place of death of the CHAPMAN. (See explanation on location formats above)

Column 9 (CEMETERY) contains the name of the cemetery in which the Chapman is buried, if known; and if not, the name of the city in which the cemetery is located if that is known.

Column 10 (PLACE BURIED) shows the place of burial of the Chapman by state and county if known.

Column 11 (M#) is used to number the multiple marriages

Column 12 (MARRIED [SPOUSE]) lists the names of those who married our CHAPMANS. To the extent space is available the last name then first and middle name is listed. In some instances, particularly marriages to widows, footnotes may have been used to provide additional information on spouse names.

Column 13 (DATE MARRIED) lists the date of the marriage to the spouse shown. This is the event on which we most frequently encounter alternate or conflicting dates. Marriage dates may be based on (1) the date of the license, (2) the date of the ceremony, or (3) the date the marriage was recorded. In some cases we provide information on alternate dates (see explanation for column 19 - 21 below) or in footnotes. (See explanation for date formats above)

Column 14 (PLACE MARRIED) lists the state and county in which the marriage was reported to have taken place

Column 15 (BIRTH DATE) is for the birth date of the spouse, and should not be confused with the CHAPMAN birth date in Column 5. (See explanation for date format

CHAPMAN FAMILY REUNION REPORT

Margaret A. Heuring sent us the following report of the reunion of the family of GIDEON ABNER CHAPMAN son of JOHN CHAPMAN and Lucy BOWMAN. (See Genealogy printed in this issue.)

The oldest present was Mrs. George (Mella Reed) Chapman and the youngest was Brant Heuring, 8 mo. old, son of Mr. and Mrs. Kenneth J. & Michelle Wiginton Heuring.

Those present were descendants of Gideon Abner Chapman son of John and Lucy Bowman Chapman.

Family members of George Edward (son of Gideon and Elizabeth "Betty" Ford) and Mella Reed Chapman were: Mrs. Leita Chapman Kiehn, Jackson MO, Mrs. Maxine Chapman Smith, Delta MO, Mr. Aquilla Chapman, Mr. Jack Chapman and Mrs. Ford Chapman (daughter-in-law) all of Chaffee, MO. (Ford Chapman died July 17 1986)

Mr. & Mrs. Ben Chapman, St. Louis MO: their children present were Mr. & Mrs. Wayne Chapman and sons Jason and Jeremy, Chaffee, MO and Mr. & Mrs. Michael (Joan Chapman) Reynolds and Patty June Rushing of St. Louis, MO.

GIDEON ABNER CHAPMAN

"My" Charity. Do any of these names show up in our research?... Do hope you can shed some light on my Chapman girls—I imagine they were sisters but don't know. Thank you for your attention."

14-304 Meredith A. McClaren 3549 La Cenega Way, Cameron Park CA 95682 is the great grandson of **ISABEL CHAPMAN** born about 1812 in Crownpoint, Indiana. Mr. McClaren first thought she was the daughter of **CYRUS CHAPMAN** who married **Chloe CASE**. He now believes she was the daughter of Cyrus' brother **AMBROSE CHAPMAN**. Both lived in Richland County, Ohio. Both of these Chapman men are listed in Rev. F. W. Chapman's 1854 book which tends to confirm his line back to **ROBERT CHAPMAN** born about 1616 in England.

14-305 Cliff Sawyer 729 First Street, Milford NE 68405 was referred to us by Chappie **Theresa Burnham**. Cliff is the grandson of **ALTA E. CHAPMAN** born 1851 in York County, Maine. She was the daughter of **ANDREW MCLARY CHAPMAN** who apparently signed his name as Andrew McChapman. This line of Chapmans is well documented in the two **EDWARD CHAPMAN** books published in the last century.

14-306 Jim Sommers 3901 Spruce, Lincoln NE 68516 wrote: "I recently purchased your 1984 "Chapman Directory" at a local garage sale and have read it with great interest. You have done an excellent job of putting it together. I would like to pass on to you a Chapman who married into my wife's Reynolds family. Maybe you would like to add this information to your files. **NANCY CHAPMAN** born 1 January 1792 at Monmouth, New Jersey and married Joseph **REYNOLDS**, born 1 April 1792 at Monmouth, New Jersey." Perhaps some of you can help with further information on Nancy.

14-307 Dr. Karl Stofko Orchard Road, East Haddam CT 06423 is gathering information for a book on a **Lavius Fillmore** whose daughter, **Cleora S. FILLMORE** married **RODMAN CHAPMAN** born about 1796. We found information on his parents **ERASTUS CHAPMAN** and **Polly HUNTINGTON**. Dr. Stofko is also interested in information on descendants. The family was from Vermont. Rodman and Cleora had four sons: **ERASTUS WIGHTMAN CHAPMAN** (1822-1902) who lived in Hannibal, Missouri and Omaha, Nebraska; **LAVIUS FILLMORE CHAPMAN** (1823-1859) of Victoria, Texas and Raymond, Mississippi; **WILLIAM TUCKERMAN CHAPMAN** (1825-1855) of Victoria, Texas and **HENRY CLAY CHAPMAN** (1827-?) of Hamilton, Illinois and Hannibal, Missouri. Erastus had two sons: **GEORGE RODMAN CHAPMAN** (1849-before 1900), born in Vermont; **JOHN HENRY CHAPMAN** (1853-1931) of Hannibal, Missouri, Omaha, Nebraska and Villisca, Iowa. Lavius Chapman had a son **EUGENE BALDWIN CHAPMAN** (1855-?) who was born in Raymond, Mississippi. With a geographic spread like that, surely some of you will be able to help Dr. Stofko.

EDITOR'S COMMENTS

In the last (August) issue we alerted you to the fact that in this issue we were going to introduce a new method of reporting Chapman genealogies. Having spent many weeks working on each of the data banks that have been included in previous issues, and having spent considerable time lately on this new type genealogy, we think we are finally about to get organized. Our previous method of processing data has required us to load information in the computer on the same person/family up to four different times. With the volume of data we have, such duplication of effort is intolerable.

Our plan now is to concentrate on getting all our data loaded into the format of the genealogy as printed in this issue. We are suspending the data bank printing until the genealogies are completed. We will publish the genealogies in family increments or groups of individual unconnected families until all have been published. If a genealogy on a particular line is too long for one issue, we will not continue the same family line over two consecutive issues so as to spread our coverage to reach the maximum areas of reader interest. Therefore, genealogies may be continued over a period of several quarters. We are temporarily discontinuing the indexing of each issue. For those who might be interested in receiving complete genealogies of a given line, rather than waiting for the final installment, such will be available and announced with the introduction of each series. For those who want it, an index identifying names, families and spouses will be available for each genealogy. To the extent that inquiries or feedback is available and needs publication that will be included in each issue. We have used this format in our Alford and Newkirk newsletters and it was very well received. We trust you will find them worthwhile.

We knew we had finally made it when we received a letter last month which started: *I recently purchased your 1984 "Chapman Directory" at a local GARAGE SALE and have read it with great interest. You have done an excellent job of putting it together.* He went on to give a little information on a Chapman who married into his wife's family in the 1700's. (See inquiry 14-306 in this issue.)

Speaking of the Directory. The 1985 Directory is still available and will be current for several more months. If you have not ordered yours yet you may do so now. The cost is \$15, but subscribers receive it for \$14.

We are indebted to **Thomas W. Seim** for extracting all the Chapman entries from the latest LDS master card catalog microfilm. He did an outstanding job typing (single spaced) 24 pages containing 123 different references with information about or by Chapmans. We will eventually have it loaded in a computer file and then will print it as part of a newsletter or annual directory, probably the latter. In the meantime if a reader would like to have xerox copies of the pages sent by Mr. Seim we can have copies made and mail them to you for \$2.50 which will just cover our expenses. We need your help in running down copies of all these references so we can put the Chapman lineages in the computer to aid in answering Chappie inquiries.

Nancy sent about 20 pages of information on Winnebago County Chapmans (and some Newkirks and Alford's) which will be included in future genealogies and databanks.

have mentioned before we do not take advertisement

As we have mentioned before we do not take advertisements. However, when one of our contacts has a product or service to offer we like to make it known to our group. Mrs. E. J. (Jody) Davis is a Chappie and also has an Alford connection. Jody has developed, and copyrighted, a 15 generation, one family line chart. Although it is a single sheet 11 x 42 inches, it works like a five page foldout. For each of the 15 ancestors there is ample space to enter: Name, Born, Place, Married, Place, Residence, Other Occasion, Died, and Place. For the spouse there is a blank for Name, Born, Place, Other Occasion, Died and Place. For each generation there are four source blanks and five remarks blanks. Reproduced below is a greatly reduced facsimile of the first two pages. The charts are available from THE BOOKSTORE, 5065 Forest Hill Avenue, Richmond, VA 23225 for \$2.50 each plus 50 cents postage and handling. The long dimension (42 inches) is responsible for what might seem to be a high price.

Tennessee. In 1857 he married Lucretia Sprigg REDMOND in Batesville, Arkansas. His father was JOHN CHAPMAN born June 12 1774 or 75 who married Elizabeth JONES October 1796 in Orange County, North Carolina. He died March 12 1838. The father of John was SAMUEL CHAPMAN. Brothers and sisters of Daniel were:

1. MARY CHAPMAN born February 6 1800 in Tennessee, married Wallace BRANCH;

2. BIG JOHN CHAPMAN born December 12 1804 in Tennessee, married Eva -----, died enroute to California;

3. AMOS CHAPMAN born December 6 1809 in Tennessee, married Mary TERRELL;

4. REBECCA EVALINA CHAPMAN born April 9 1810 in Tennessee, married John PURDY 1835 in Davidson County, Tennessee;

5. ANDREW JACKSON CHAPMAN, born July 10 1814 in Davidson County, Tennessee, married Maria Elizabeth BARTON September 9 1834, died June 4 1871.

John Chapman was a friend of Andrew Jackson. He moved to Tennessee from North Carolina and lived next to Andrew Jackson. Rachel Jackson helped to deliver Andrew Jackson Chapman. After Daniel died in Arkansas his widow and children moved to California and settled in what is now Lassen County. Any information on this family would be much appreciated.

15-311 Mrs. Mary E. Feyht, Box 3156, Cody, WY 82414. Her husband shares a line with three other Chappies whose names and addresses we furnished her. We have a genealogy on this branch prepared which will be updated with her material and included in a future issue of the newsletter. The following paragraph was extracted from her letter: Of course, we would very much like to know who was the father of JOHN CHAPMAN, Sr. (John b. 1758, originally had 1760) Found a will of SAMUEL CHAPMAN of Amelia County, Va. and he names son John, daughter Tabitha MEADORS, daughter Delpha GREEN and daughter Unity, daughter Anne PORTWOOD and a daughter Mary CAMBELL. Spellings as they appear to be in the will. That handwriting is very difficult to read at times. John is the only son mentioned. It remains to be proven if this is JOHN CHAPMAN's father or not.

15-312 Lucille Jackson 110 Seneca Street, Watkins Glen, NY 14891 wrote: "I would like information on the ISRAEL CHAPMAN taken prisoner during the Danbury Raid, he was from Salem. Who were the parents of ISRAEL CHAPMAN listed in the Vermont Militia, Col. Samuel Fletcher's Battalion in Rev. War? One pay voucher lists Arlington, Dec. 3, 1781, also Sunderland, Aug 31, 1783. Is this the same ISRAEL CHAPMAN who moved 1790 to Virginia, then South Carolina and Georgia?"

15-313 Mrs. Eleanore D. Kellis, 2397 Arthur Drive, Reedsport, OR 97467. Her husband is the great grandson of HARRIET CHAPMAN born May 10 1845 near New Market, Ohio, married Amos A. KELLIS August 16 1862 in Highland County, Ohio, and died August 20 1930. According to the 1850 Highland County census she was the daughter of JOHN W. CHAPMAN born about 1819 in Ohio who married a Margaret A. who was born in Pennsylvania about 1825. She is seeking additional information on Harriet, John W. and their ancestors.

EDITOR'S COMMENTS

We regret that we are later than usual with the newsletter this quarter but we will not make any excuses. In fact, we will serve notice that you can expect some of the future issues to be just as late.

We do trust that it was worth waiting for. We spent considerable effort and time trying to get all we know about the descendants of William Chapman who was born about 1633 into one file. When we finished we had a total of 44 pages like the 26 published in this issue. The other 18 pages will be published in some future issue, probably about a year from now so we don't let one family line hog all the newsletter. We mentioned in the beginning of the genealogy on page 7 that we would publish the entire account in a booklet, along with a complete index, if there is sufficient interest. We decided to go ahead and complete the work while we were at it and the booklets will be available for \$9.00 each and they may be ordered now.

As suggested in an earlier issue we are concentrating on publishing the genealogies of Chapman families, both ancient and present, and will postpone further publication of the databanks until most of the genealogies are completed. To the extent that inquiries and feedback are available they will continue to be published in each issue.

Those who have renewed their subscriptions, or ordered some publication this year may have noticed a slower response and different invoicing system. In previous years we processed your orders on a weekly basis which required considerable wasted administrative effort on our part. This year we will process most orders on a monthly basis. IF YOU HAVE A REQUEST FOR SOMETHING AND WANT IT IN A HURRY, MAKE THAT CLEAR IN YOUR ORDER AND WE WILL HONOR THE REQUEST IF AT ALL POSSIBLE. The new invoice / receipt system may look more involved from the document you receive, but they are much easier for us to process.

Speaking of orders. We should mention, for the benefit of those who have not been subscribers from the beginning-- we have copies of all back issues available. Number 1 (August 83) through Number 10 (November 85) contain from 24 to 30 pages (most are 26) and cost \$3.00. Issues Number 11 through 14 vary from \$3.50 - \$4.50.

The 1985 Directory is still available for \$15.00 and we do not expect to publish a 1986 edition. We may publish one as of the end of December 1987 in 1988, calling it a 1987 Directory.

If those of you who have computers would like diskette files of a particular genealogy or databank let us hear from you. It is possible we can make arrangements so that you can use the data with your computer. The program which you would use with the data must be able to read ASCII files and we cannot accommodate Apple, Atari or Commodore except possibly for the 128 with a CPM operating system. We probably can service most other systems with disks, and if you have a modem we can probably handle any system. Let us hear if you are interested.

THOSE BELOW THAT APPLY AND ENTER DATA.

1. I am currently a subscriber, and would like to extend my subscription by years, and dollars in the enclosed check are for that purpose.
2. I am not currently a subscriber to the newsletter, and would like to enter a subscription for years, effective with the February issue. dollars (@ 12 per year) of the enclosed check are for that purpose.
3. I did not purchase a 1984 directory, and would like to have a copy while they are still available. Fifteen dollars of the enclosed check are for that purpose.
4. I desire a copy of the 1985 directory at the price described herein. I (am am not) a subscriber. I (did did not) purchase the 1984 directory. I am placing this order to arrive (before after) May 15. Therefore..... dollars of the enclosed check are for that purpose.

Please make checks payable to Gilbert K. Alford.

PLEASE NOTE THAT MAILING OF THE DIRECTORY WILL BE IN JUNE 1986.

FIRST CLASS MAIL

*We sent this
to all our
Chapman contacts
earlier this year.
Thought you might
find some of it
interesting.*

WE NEED TO HEAR FROM YOU

There are several types of feedback we need from this mailing. For those of you who have never written to us, we have included on the top line of the mailing label an entry that begins with "Q" usually followed by some form of a date. That means we have written to you, and have never heard from you. If we do not hear from you as a result of this mailing, under some circumstances you will be dropped from our list and your name and address will not appear in the directory. Those in the other circumstance will be dropped from the list later and not appear in the 1986 directory. Those who have contacted us will find a variety of entries instead of the "Q" and date. Subscribers will find a year and month which is their expiration date. Previous subscribers will find "Expired" or an "X" and the date expired. Those who have received trial or complimentary issues may find Trial or Comp on their label. The only folks who need to respond to this part (unless I have your current expiration date wrong) are those with the "Q" entry.

The second line on the label shows what we see as your ultimate ancestor. To the extent we have it we are showing his name (in the case of females we have tried to show married name in ()), identity of event (b=birth, x=died [expired], u=married [union], e=census [enumerated], r=resided), the date of the event expressed year, month and day. An "E" after the date means it is our best estimate. If known the state and county, or country, of the event is also shown. This is what will appear in the directory as you ultimate ancestor. If this is not the same as you show then we need to hear from you. It could mean we have an error, we could have found information to add to your lineage, or we may have made some changes for one reason or another. In some cases we have taken the liberty to make changes or additions in your lineage and others we have not. If changes are needed in what we show on the label, and we hear from you by April 15 we will be able to make changes in the 1985 directory. If there is nothing on the second line of your label it means we either have nothing on your ancestors, we can't figure out what you sent, or we received it too late (about end of December) to make this years directory. We need to hear from you so we can include it in next years publication.

LDS FILE POSSIBILITY

One of our Alford contacts who has good access to LDS branch or stake library material has been kind enough to review the new LDS IGI and provide us with the microfiche number, page number, and grid number of all the Alfords in the new IGI. With this information we then ordered paper copies of all these from the Library in Salt Lake City, paying the required quarter per page for reproduction and mailing. We are now adding all this data to our Alford data bank, and we make copies available to Alfs who desire a copy of the copy we received in return for a SASE and a twenty two cent stamp per two pages to cover our cost of copying. If one of you has similar access to the LDS records and would send us a list of fiche, page and grid for all Chapmans in all states, we will purchase (pay for reproduction) and add that to our collection, and provide it to Chappies as described above.

This same person also checked the LDS family registry to see what folks were registered under Alford. She provided us a list of their names and addresses and we have contacted them all. If one of you would send us such a list of the Chapmans, we will contact them, and you'll read about the results in the newsletter.

We also are expecting an Alford "Bibliography" from the microfilm and/or microfiche card catalog and will be publishing it in our Alford newsletter. If one of you

fabric tape and staples can be removed and the pages filed in a note book, and new pages inserted in future years. Because of this all pages will not be numbered consecutively, but each section or listing will contain it's own set of page numbers and dated as it is printed by the computer.

Content and Content Format Changes

In the 1984 edition we provided the names and addresses of about 300 Chappies. In this issue, some of those have been deleted and many added. The new list will contain over 375 names and addresses. As before we provide a list in alphabetical sequence and also by Chappie code to facilitate use of the rest of the directory. To the extent that they were available to us, phone numbers have been included.

In the previous edition we had the direct Chapman ancestor lines, along with spouses, of about 215 of our contacts. There are about 120 such lines in the 1985 edition, made up of some revisions from the first plus numerous additions.

This part of our directory comes from our computerized Family Reference File, in which there are currently over 1100 records. Every direct Chapman ancestor for each Chappie constitutes one record. So if three of you have the same Chapman ancestor, that is three records. I don't want you to get the impression that we have records on 1100 different Chapmans. (We do have records on tens of thousands of Chapmans, but these are not known as direct ancestors of our contacts, at least not yet. These are in our various references, and computer files such as the data bank and family group records, not in the Family Reference File.)

All the ancestors records included in the first edition plus those added are included in the 1985 edition, so that a completely uptodate alphabetical list is provided for the ancestors. Similarly, for the alphabetical printout of the spouses of the ancestors, a complete list is provided.

A new feature in this directory will be a section with family group records. We will concentrate our coverage on either the very common Chapman ancestors and/or the ancestors who represent problems to our contacts. About 25 such records are being included in this edition. Plans are to add to these each year so that you can eventually have records of most of our contacts ancestors in your notebook.

Some of our readers suggested that a code to indicate which major Chapman family a Chappie or ancestor belonged to would be helpful, and that has been added. This is not to say that all Chappies and ancestors have such an identification, but those which qualify as a family based on criteria established by us.

An effort has been made to show in the list of contacts which edition of the directory one can expect to find that persons lineage. Likewise, when we identify an ancestor as one common to two or more contacts, we have tried to show which edition the lineage can be found to show the connecting line. These are explained in the directory.

We use a term, "ultimate ancestor" to define the Chapman ancestor which is a contacts furthestmost ancestor. It is usually the person on which more information is needed. In the 1984 edition we coded most of these with a "P" identifying them as problem ancestors, and listed them in a separate list. We have modified this technique in two ways. If the ultimate ancestor was the immigrant, then they were coded "I", and we do not consider them as a problem, although you may still be hoping to get additional information on these ancestors. I think most folks have a tendency to relax when they "get to the boat." If the ultimate ancestor actually stayed in their original home (foreign) country we have used code "O" as Old Country, and similarly do not consider them a problem, as our effort is devoted primarily to the Chapmans of this country. These codes

operating system or disk formats produced by your computer. Of course I also need to know the extent to which you have, or want information on disks. The next phase of the operation would permit the exchange of information via modem and telephone lines, and in this case disk formats do not matter. So, I need to also know if you have a modem, or plan to acquire one. Our ultimate plan is to have much of our information on a hard disk, with the computer on the air most of the time so that you can just call in through your modem and computer, access our files, and obtain what information you want. I think that another person running this operation, or an association would have similar long range plans.

BEWARE OF SOME NATIONAL ADVERTISING

I am sure that many of you are aware of the rip off products being offered through the mail or in some magazine advertisements. For those who are not, you need to be cautioned about several. For those who have had some experience with some such outfits, this will probably add to those on you list.

The company most are probably familiar with is one called BEATRICE BAYLEY of Sterling, PA which advertises "Family Heritage Books" by surname. They did mail customers a hard bound, impressive looking monogrammed green and gold covered book. Inside however were many pages of routine information dealing with genealogy in general. The only information of a surname nature was a list of names and addresses taken from city directories, telephone books, utility company listings etc. I purchased one for my Alford surname knowing full well what I was getting, but I wanted the 8,000 plus names and addresses. I've written to many of them and find that the list has about a 25% error. The company has been written up, very critically, in numerous newspapers and genealogical society publications. The State of Wisconsin has taken them to court, and the U. S. Postal service has several actions outstanding against them. These book sold for just under \$40.

Just recently another company has been sending our similar advertisements with a similar price. I received one on the Alford surname as did many of our Alford contacts around the country. I suspect a similar offer has been, or will be made to Chapmans. This book is titled "Tracing the (surname) Family Roots." It comes from a company called COMPUTER GENELOGIES, INC. of Lansdale, PA. (Note they did not even spell genealogies properly). The Alford book is priced at \$39.85 and it appears that they may have added just enough to get by the complaints registered against the other company. But, what they are offering is available free, or at little cost from other sources. They mention some charts that were undoubtedly copied from a popular Alford book which is no longer under copyright. Get this now "A directory that locates almost every family named Alford in the United States." From the erroneous address they used for my parents, I suspect it is the very same list used by Beatrice Bayley. They also give you a Latter Day Saints Bibliography list which you can get free by going to any LDS library and copying it, and they give you a Library of Congress Bibliography which you can get free by going to the Library of Congress. We will be providing both of these bibilographies to our subscribers at a later date. And they send a coat of arms, which is, if like all the others, very skimpy, and not official.

Then there is at least one more. ROOTS RESEARCH BUREAU, LTD advertises in national magazines. I saw their ad in the very prestigious *American Heritage* magazine. They sell their family histories for \$30 each. (They were only \$20 when I ordered them last month) I did order one of each of our three surnames, as I felt I had an obligation to check into them and advise our contacts, especially our regular

We have names for several more contacts which will be added after our initial inquiry to them.

All of your names and addresses and all of your direct Chapman ancestors, with their spouses, are in our computer records, that is to the extent you have sent them to us. These will be published in one or more of our annual Chapman directories. For most of you we have published at least one inquiry in the newsletter. We have provided many of you information from our files, and have tried to respond to each and every letter (excepting a few which obviously expected no response). When you have asked questions we have tried to answer, or we passed them on to our readers in the newsletter. All of this has been done at no expense to you. I will continue to try to respond personally to all mail, albeit a little late, and to the extent that I can find answers to your questions, I'll try to answer them. What I cannot promise to do is watch for the Chapman in whom you have some interest and get back to you. I'm going to do the best I can under the circumstances, but if you want to take advantage of our best service it is going to cost you a little and will require you to do some searching on your own.

As you will see from our comments on the 1985 directory on page 5, it is one of the most extensive compilations of Chapman genealogies existing today. It identifies numerous problem ancestors.

In our February and all prior Chapman newsletters we have included in the databank Chapman data in a pure alphabetical sequence. In May we would normally have begun listing the names which begin with "G", but we are changing that practice, and for a time at least will concentrate on names or groups of names that represent the most problem ancestors. We have more problem ancestors named John than any other name. We will list, or begin to list the John's in May. As soon as the John's are finished we will, without doing the other "J's" proceed to the Williams which is our second largest problem name.

Therefore, by using the annual directories and the newsletters (over 100 indexed pages annually with thousands of Chapmans listed) you will have a very good chance, better than I have actually, of finding those persons in whom you have some interest.

WHO WILL CONTINUE CHAPMAN WORK?

In our last Newkirk newsletter we expressed a desire to pass our Chapman and Newkirk work on to someone else. When we began this project, encompassing three surnames, we had no idea it would grow to the extent it has. We have found that to do all we would like to do with a surname is a full time job with only one name, and three makes a decent job impossible. Now, don't jump to conclusions and think we are about to completely discontinue our effort. Whatever happens, I'll provide all subscribers, and hopefully all contacts, at least a years notice as to our plans to discontinue the work, or to transfer it. As mentioned in the previous paragraph we are having to resort to some changes. Regardless of the workload, response, etc., we have always had something of a target as to when we would phase out our Chapman work. I know that age, health etc will eventually dictate such action anyway, so it is best to plan for a deliberate phase out or phase over to someone else. My plan was originally to donate all of my collection to some genealogical society or library when I finished. I've since learned, however, that such collections are dead, in that they are not worked and progress stops. I've also learned that in most cases the collection is not accessible to those who need it except for the ones in the local area. It would be a shame for our collective effort to wind up in

COMMENTS ON SPECIFIC RECORDS

Continued from page 13

#38. The name of the wife of this John Chapman has been reported as both Sarah CARVER and CARRIER. We do not know which is correct.

#54 - 59 & # 62 contain data that is most confusing. In addition to these printed records we have three others that have slightly different marriage dates and one with the spouse name Martha PERLEY. Information in #59 & #60 come from an account on Johnny Appleseed and we will try to find room for an article on him in the next issue. If anyone has more information on these persons, or if you can untangle it, please let us hear from you.

#110. We also have a record that shows birth in Culpeper County, and death April 1815.

#160. Another record shows the wives name to be Mary WOODBERRY and the date of marriage to be 17771204.

#203. Another spelling of the wives name was Dicey NAPPER. #263. In addition to the wedding date shown, we have records that say March 9 and April 8, both in 1806.

#297. Wifes name has also been spelled Sarah KEYS and KEESE.

#368. Another possible spelling for the wives name is Annie TOLAR.

#375. Another possible spelling for the wives name is Amanda R. LYNCH.

#561 & # 589. Same person from two Chappie descendants. Different dates and spellings.

CHAPMAN DATA BANK

JOHN CHAPMAN - VITAL BIOGRAPHICAL STATISTICS

The format in this issue is practically the same as the previous two issues except for the size of the printing and the fact that all elements of any one record are on one page. We did exclude the new "Family Code" column, introduced in the last issue as it did not seem that relevant in this list of Johns. While the format is the same, there are several other changes that you must be aware of to best understand the printout. Since the first names of all the persons in this printout were John, we did not arrange the entries alphabetically. Therefore, middle initials and second names have no bearing on the sequencing. All of the entries are arranged chronologically according to the birth date of the John Chapman. Before I explain some of the content of the columns, let me ask one favor of all readers. I would expect that at some time, some of you will find occasion to reproduce copies of one or more pages of the print out to give to a friend or relative, and you certainly are encouraged to do so. Because of our peculiar notations, one will have trouble understanding the printout without some guidance. Please, if you give them a copy of a page of the printout, then also give them a copy of these pages that explain it. Remember that when we show dates in this listing we show them as year, month and day so the computer can treat them in order. An "E" after the date means it is our estimate, and we do this just to get the entry in the general area where it should be. A date which is followed by "CA" means that it is probably very close, or maybe someone else's estimate. The "<" after a date means before that date and a ">" means after that date. A common notation is a year and month followed by "=<" which means in that month or before. This is normally used in cases where we have the date of baptism but are not sure of the date of birth. Place entries are shown with name of foreign country or the U.S. State abbreviation followed by a county abbreviation. If the county abbreviation ends with a "?" we are not sure about the county. A State abbreviation followed by ?? or ??? means we are pretty sure of the state, but not positive. The more question marks, the less positive we feel. Two states separated by a "/" means the event probably took place in one of the two. If we have the name of a town but could not translate that into a county we use lower case letters. (Or for some towns/cities that are not part of a county.) If we know that a person was married more than once, and we have the data for more than one marriage then there is a record for each marriage, with a number in front of the spouse's name to denote which marriage. The columns from the reference column on over will probably be the most difficult to explain and to understand, but they are probably the least important. If you have any question on any of it, just call or write us. Under "REFERENCE" a number followed by a "B" in the first three spaces will be a book reference, and these are explained in our annual directory. (We have just added 23B for Billy Blanchard Chapman's book) GLK BAR COLL means the information was extracted from the *BARBOUR COLLECTION* by Grace Louise Knox (*12). LDS IGI is shown for many Massachusetts entries and these came from pages sent by Gladys Deyo (*12). DVD VAMAR is a notation to identify entries taken from an extensive list of Virginia marriages sent by Darla Davis (*12). The entries with "H/B" were taken from marriage lists we purchased from Hunting for Bears, Inc. Most of the other entries identify Chappies by their two or three character code of either two or three letters or two letters and a number. In some cases there was more than one Chappie source for a single record in which case we show more than one under reference or we use @ in the column headed "O E" (one over the other) and continue the Chappie code under the "OEVENT DATE" column. The eight character references of three letters,

PUBLICATIONS REVIEW

We have three publications to tell you about, two were published by Chappies, one of them about Chapmans and the third is a follow up to an article we did on Chapman Family books in the special issue earlier this year.

WHITE'S DIRECTORY

Maureen White (*02) mentioned in both *EXCHANGE* and *FEEDBACK* recently undertook the job of publishing *WHITE'S DIRECTORY* which provides information on surname oriented organizations and publications. The five parts are: 1. Surnames, 2. Geographical Publications, 3. Data bases, 4. Misc. Publications & Assistance and 5. Cross Reference/Alternate Spelling Index. All of the information was verified in April and May of this year so it should not include "has been" publications and organizations. There are 23 typed, single spaced pages, with most pages packed with information. Most entries give the Surname (or geographic area) publisher, address, price, information on queries, frequency of publication etc. We usually do not mention anything that is not Chapman related, and this is an exception, so we don't want to confuse you. We were interested in getting a copy to find others, with an operation similar to ours, to help on related surnames. We have several similar publications but none of them seem to provide as much for your money as this one. The reason we included it in the newsletter was because it is a publication of one of our own Chappies. Although Maureen sells the listing for \$4.00 she will let Chappies have it for \$3.50. Just tell her that you are a Chappie too, and that you read about it in this newsletter. You can order a copy from her at 1309 E. Granada Road, Phoenix, AZ 85006-2256.

LYMAN AND MARY CHAPMAN

Billy Blanchard Chapman (*02) who we mentioned in the *EXCHANGE* compiled a Chapman book in 1980. Although I had heard of the book a year or so ago, I had been unable to reach Mr. Chapman until recently. A copy of the special issue that we sent out earlier this year managed to reach him and in response he sent us a copy of the book with a note "Please add this to your file and records." Thinking that some of you might be interested, we asked him if additional copies were available and if so what they cost. He replied that he does have some hard bound copies available for \$25 which includes the cost of mailing. The copy we have is in a very attractive looseleaf notebook with the title *LYMAN AND MARY CHAPMAN* on both the front cover and the backbone. The book addresses the descendants and antecedents of LYMAN NATHANIEL CHAPMAN born 1827 in Maine and his second wife Mary Elizabeth SCOTT. The arrangement of the book is unlike any we have seen, and is very interesting. There are numerous photographs, maps and sketches and a most interesting text dealing with the persons and families. Entries in the table of contents include, aside from names; under Lyman Mary and Family: River Falls (WI) Area Homes, Military, Franks Letter Home; under Mary Scott: Trip to Wisconsin - 1852 and Her Young Life; under Lyman Chapman: A Journal of a Voyage to California - 1849 and Continuation of Lyman's Diary. This very interesting account, the journal, covers about 24 pages. The next part of the book contains a family tree, lineages and family diagrams. The last section of about 100 pages contains family group records prepared so that two fit on a page. There are some blank (form) pages or half pages though so I don't mean to say

In the special issue we mailed earlier this year we asked your help in extracting data from certain LDS sources. Specifically we wanted the microfiche grid and page numbers for the Chapmans in all states from the latest IGI, the names and addresses of those listed under Chapman in the LDS family registry program and a list of the references in the LDS "Bibliography" or Master Card Catalog (I think there is a new name for it now). The response to help was overwhelming and we certainly appreciate it. Right away **Gladys Deyo** (*12) wrote that she would get reproduced and send all the pages (27 sheets) for Chapmans of Massachusetts. We had only asked for the references but she went to the trouble and expense to have them copied and sent them, and would have done more but we told her it was not necessary. Then she called to make sure they got here OK. Then one fellow, quick as the speed of light, bright as the stars and as cooperative and congenial as anyone we have ever had the pleasure to correspond with had just about done all the rest. **Thomas W. Seim**, (*12) Route 2, Box 288, Hudson, WI 54016 wrote and sent a sample of his extract of the IGI to see if it would do, forecasting that he would be through in a week if I didn't stop him. Before the week was over I had the whole thing neatly typed on adding machine tape and folded to make my input to the computer easier. Then before I could even process that to Salt Lake City, I received one, then another list of the folks who were listed in the Chapman part of the Family Registry Program. I fired up the computer with an inquiry letter and over one weekend sent out about six dozen letters to potential Chappies. A huge stack of responses to those are now sitting here as the inquiries for the next issue. In just a few more days I received about 13 pages, typed single spaced, with complete bibliographical notations, information from the master card catalog. I included Tom's address above for I thought some of you would want to drop him a card expressing your appreciation for his support to the overall Chapman effort. I have sent a request to Salt Lake City for a copy of all the IGI data. As soon as I can get all this organized I'll be telling you what is available for you, and how you can access the information. Unfortunately Tom was not able to complete the bibliography. Apparently the Chapman references in that file begin on page 482 with a book by Ambrose. Tom got onto, or through, page 483 (this is microfiche, not paper) and completed a reference by George F. Isham. There are about 60-70 references included. Tom will be able to continue the job next winter, but it would be a crime for us to wait for him to finish after he has already done so much. Many others offered their help with this project, but after Tom had just about finished it all, and we told them to

12-254 Phyllis L. Chapman, (*01) P. O. Box 156, Kahoka, MO 63445 is the daughter of JACKIE DEAN CHAPMAN whose father was JESSE R. CHAPMAN born 1899 in Massena, Iowa. Jesse was the son of ANDREW S. CHAPMAN born 1854 in Licking County, Ohio. His parents were SAMUEL CHAPMAN and Polly JONES of Virginia. Phyllis would appreciate anything she can receive on these Chapmans.

12-255 Mr. George J. Driver, Jr. (*07) 2416 10th Street, Caldwell, ID 83605 is the great grandson of GEORGE WASHINGTON CHAPMAN born 1812 in Maine where his father owned a shipyard. George Washington's mother was a CHATMAN. George W. married Rachel Lethie LITTLE and taught math at Harvard University before they moved to Illinois. Mr. Driver is willing to pay for research if a reader knows a reliable person whose rates are reasonable in the Portland Maine area.

12-256 Mrs. Kay Goeggle, (*02) Route 1, Box 660, Ferriday, LA 71334 is working on two Chapman lines. Kay's mother was a Chapman and her son married a young lady whose maternal grandmother was also a Chapman. Kay's mother was RUTH LAVONNE CHAPMAN and her grandfather was FRANCIS MARION CHAPMAN JR. born 1889 in Piatt County, Illinois. His father FRANCIS MARION CHAPMAN was born 1852 in Scioto County, and was the son of ROBERT ROY CHAPMAN born 1823 in either Scioto or Jackson County, Ohio. Robert's father was JAMES CHAPMAN born about 1797 in North Carolina. He married Rebecca RADCLIFF. Kay's daughter-in-law's grandmother was MARY NITA CHAPMAN daughter of MILLARD CHAPMAN born in Caldwell Parish, Louisiana. His father was REV. WILLIAM EDWARD CHAPMAN also born in Caldwell Parish, the son of ALLEN GREEN CHAPMAN born 1823 in Jasper County, Georgia. His parents were ANTHONY CHAPMAN born 1800 in Virginia and Melinda REEVES.

12-257 Mrs. Alice C. Grady (*02) 396 Taylor Road, Stow, MA 01775 has been on our mailing list for some time, but we had no information on her Chapman connections until this last quarter. Her great grandmother was FRANCES SALOME CHAPMAN born December 30 1837. She is a descendant of EDWARD CHAPMAN (1642-1678) of Ipswich, Mass, many of whose descendants are documented in the 1893 Edward Chapman book. (see *FEEDBACK* about how you can get a copy of this book.)

12-258 Nancy A. Burton (*02) 9020 La Paz Lane, Atascadero, CA 93422 had an inquiry (#8-196) in the May 1985 (#8) issue at which time she had found the grave of her probable ancestor AMASA CHAPMAN who married Lydia HUNT. Since then she has been able to add three generations JACOB CHAPMAN born 1739, JOHN CHAPMAN born 1715 and married Phenelope BUGBEE, and JOHN CHAPMAN born 1687 and married Martha DAVIS. Through our "John List" and data sent by Dian Gustafson (*12) we were able to add WILLIAM CHAPMAN who married Elizabeth SMITH and extend her line one more generation.

12-259 Mrs. Eleanor C. Lent, (*12) R.D. 3, Mill Street, Putnam Valley, NY 10579 wrote that to go farther on her family she is looking for FRANCIS STUART CHAPMAN born Onenta or Cooperstown, both in Otsego County, New York, June 4 1883. She is interested in information about him, his spouse and family. Eleanor would be familiar with the data entered under this name in the *DATA BANK* in the previous
