You've just hit the lotto!

Margaret Elizabeth Hoagland White was born Dec 3, 1836 in Green Co, Ky and died Jan 8, 1929 in Marion Co, Ky. She was the daughter of William and Sarah Cooper Hoagland. William was born about 1814 in Green Co, Ky and died August 5, 1886. He married Sarah Cooper Sep 20, 1834 in Green Co, Ky. William was the son of Isaac and Miriam Hardin Hoagland. William's first wife, Sarah Cooper Hoagland died Apr 12, 1864. William's father Isaac was born before 1778 in Pa and he died in 1834 in Green Co, Ky. Isaac was the son of William & Elizabeth Hoagland. William was born abt 1745 and died in 1799 in Green Co, Ky. His wife was living at his death. Miriam Hardin Hoagland was born in Pa and was the daughter of John and Isabella Strawbridge Hardin. John was born June 2, 1733 in Stafford Co, Va and died abt June 13, 1803.

John was the son of Major John Hardin and Catherine, his wife. There's much more on the Hardins tracing them thru New Amsterdam to France, too.

Now, Josiah White was born Apr 2, 1825 in Green Co, Ky and married about 1859 in Marion Co, Ky. He was murdered (aren't you getting your money's worth?) Dec 14, 1889 in Marion Co, Ky by John Benningfield, who was sent to prison for his crime. Josiah was the son of Joseph and Elizabeth Hoagland White. You see Josiah was married to his first cousin. Joseph White was born about 1796 in Ky and married Elizabeth Hoagland Nov 23, 1818 in Green Co, Ky. Elizabeth Hoagland White was born about 1794 in Kentucky and was the daughter of Isaac & Miriam Hardin Hoagland.

You know their ancestry.

The Hoaglands are supposed to be Dutch from a place named Hoagland in Holland. We're about 100 years proving the connection.

The Hardins are the famous Hardins. Check out the 'Dictionary of American Biography' at your local library and all of those Hardins are related to Miriam. Statesmen, soldiers, judges, acreage....what every researcher dreams of connecting his family with in history.

I'm in the midst of jury duty, but please send me what you have on Annie's family and also let me know what I can send to you. Are you aiming at membership in the DAR, or anything like that? Just let me know. Glad to help, Mark

BABY DIES FROM BURNS

Three year old child pours kerosene into stove

Death relieves little suffer

Archie Deneen Craig, the three year old son of William Craig residing four miles east of Petersburg, died from kerosene burns Monday afternoon after suffering only a few hours.

The father, who has had the four children, the eldest of whom is 9 since the death of the mother last year in Kentucky from consumption, went out into the field to work instructing the other children to kindle a fire in the heating stove. Joe and Walter started the fire and were out in the road playing when they heard the screams of their little brother in the house. Walter rushed in and discovered the clothes of the little fellow in a blaze. He smothered the fire with his hands. The child was already suffering from the burns and in great agony he ran out of the house when his garments again began to blaze.

A neighbor, Fred Wiseman, was just passing by. He heard the screams of the children and saw the little fellow run from the house his clothes blazing. Wiseman ran into the house and procured a quilt and enwrapped the unfortunate boy. The father was summoned from the field.

Dr. Wilkens was called. Upon his arrival he found the suffer beyond human aid and at four-thirty in the afternoon, but two hours after the

accident, death ended the agony.

An empty kerosene jug told only too plainly the story. The child without a doubt poured kerosene into the blazing stove imitating his brothers who had kindled the fire a few minutes before.

The funeral services were held from the house at two o'clock Tuesday. Interment was made in Calvary Cemetery.

Walter Craig was born around Finley, KY. He was the son of William and Anna Belle White Craig. The other children in the family were Mabel, Archie, and Joe. Archie died from burns he received from playing in a fire. Anna Belle died when the children were young. They were sent to an orphanage. After a while Walter lived with George Craig on the river. Eventually the boys went with their father to North Carolina looking for work. They travelled to Illinois, Missouri, and finally Indiana. They came to Shelby County in 1916. Walter worked as a farm hand south of Shelbyville. After a few years he got a job in a furniture factory in Shelbyville. He worked in factories until his retirement in the late 1960's. William died after he was hit by a car while crossing the street. He is buried in the catholic cemetery in Shelbyville. Walter died of a blood clot in the heart in 1978. He and Freda are buried in Forest Hill in Shelbyville. Walter was the father of three children, Becky, Clarence, and Carl.

Bernard Craig said that Walter was a son of Alec Craig & Anna White. He also said that Alec had been married once before he married the White. He said that Walter was raised more by Henry Moore than by George Craig. His father was George Craig (son of William Craig & Mary Ann Moore)
(Bernard)

I am sorry I can't send you more information about the Craig family. I also hope not to bore you with the details about the Craigs in Shelby Co. Since no one lived in Finley after 1910 and the children were young when they left we know little about our relation in that area. I much appreciated your hospitality. I am sorry I did not have the time needed to do real research on the family. If you have any information about the family you think I might use please forward it to me.

Dear David,

We thank you for your family chart. We will add it to our files on family histories. We always welcome any additional information to add to them.

I talked to Mr. Bernard Craig of Finley. He is a son of George A. Craig & Mary Belle Ray. He said he remembered Walter Craig visiting his father. He said that everyone called Walter's father Alec instead of William. He wished he could have talked to you when you were in Marion Co. He probably could recall a lot of old stories about the older Craigs. I did not have the chance to spend very much time with him, but I felt what time I did manage was most enlightening. I am enclosing a summary of what I came across on Census Records, Church Records, and Cemetery Records. I hope it will prove useful to you.

1850 Marion Co. Census did not list William Craig. Most likely he is on Taylor Co. Census for that period.

(I would say that the Census taker probably got the mother and daughter names mixed up)

Also on the 1900 Census in New Market District were:

Alec Craig, born Oct 1863, age 36, married 5 years.

Annie, wife, born Mar. 1871, age 29, married 5 years, had 2 children, both living.

9. Josephine, born around 1877, married George W. Moore.
10. Margaret Ellen (I have this name on my records at home, I'm not sure where I got it.)

* Bernard Craig said he had an Uncle Robert Craig, so I figured John R. must have been him.

** Bernard thought Alec had married someone before he married Anna Belle White. I haven't had time to check it out.

Bernard also said he had had an Aunt Molly who never married (that could be the child living at home when the 1900 Census was taken) and one that was called 'Matt' who married a Rogers. He thought that maybe two had married Rogers but he wasn't sure.
