Two Automobiles Damaged.

A new Dodge sedan, owned by Edward Wilkerson and driven by Jimmie Wilkerson, was considerably damaged Saturday evening about 10:30 o'clock on West Main Street when a car driven by a resident of Phillipsburg signaled for a left turn at College Street and instead stopped suddenly in the path of the Wilkerson machine. Although no one was hurt, the radiator shell of the new automobile was crushed. The damage was estimated at $75.00.

A Plymouth coach owned and operated by Sam Floyd was also damaged the same evening near the Estes Apartments on East Main

In Half-Century Club.

The Enterprise has been awarded a certificate of membership in the Half-Century Club, an organization founded by the American Press, independent New York magazine devoted to the interests of newspapers and newspaper men. Membership in the club is open only to newspapers which have published continuously for fifty years or more.

In presenting the certificate, Percy B. Scott, editor of the magazine, states that The Enterprise has "upheld the best traditions of American newspaper life and it is our hope that its force and influence will be felt for many half-centuries to come."

The Enterprise was established in 1886, and celebrated its fiftieth anniversary last year.
