

Christie-May.

July 11 1930

Miss Julia Christie of this county and Sam C. May of Boyle county were united in marriage in Jeffersonville last Saturday. Announcement of the wedding came as a pleasant surprise to the many friends and relatives of the couple here.

Following the ceremony Mr. and Mrs. May returned to the home of his parents in Boyle county and later came here for a visit to her parents. The young couple's plans have not yet been decided upon but it is said they very probably will go to Lexington to make their home.

The bride, who is an unusually bright and attractive young woman, is the only daughter of Mr. and Mrs. J. H. Christie. She possesses many lovable traits that have made for her friends of all her acquaintances. She graduated from the Lebanon High School with the class of 1929 and afterwards attended University of Kentucky.

Mr. May is engaged in farming, and is a son of Marcus M. May.
