NOTE: According to the History of Union County (1886), pages 611-612, the
Benedict Wathen who was the father of E. H. Wathen was the son of
Harry Wathen and was born in Washington County, Kentucky. Most of the
family in these records are buried in marked graves either at St. Vencient's
or at St. Ambrose's in Union County, Kentucky.

Robert Mary Wathen (1875-1939) moved to San Francisco, Calif., and reared
a family there. William Francis Wathen (1870-1950) and Benedict Hudson
Wathen (1880-1960) moved to Henderson County, Texas and reared families
there. My father was Joseph Benedict Hudson Wathen (1880-1960). The Joseph
was his confirmation name but a name of which he was fond.

The History of the Christian Church is a Catholic theology study. The "Old Wathen Bible" is bound in a hard back covered with black leather. Its title page has no date of printing however the date of the imprimatur is April 1778.

These dates are written on the blank pages of a book in my possession, The General History of the Christian Church. They were written by my great grandfather, Benedict Wathen, and his father-in-law, my great great grandfather, Elisha McAtee.
