Dear Erlene:

In working on my family history, you have been very helpful searching for various obituaries and such for me. I have a further request. I know my ggg grandfather married in Marion County. He is listed in the vital records from 1852 - 1862. I am looking for more than just a listing. If I understand correctly, a bond was required for all marriages. I'm hoping you have a bond there. The information is:

Joseph McCarty (could be McArty) married Theresa Tharp (give lots of leeway to this one. I haven't found Theresa's name spelled the same way twice) married in Marion County on June 14, 1853. They were married by Reverend Sandusky.

If you have bonds available for search for this year, please let me know and I will forward you the funds for the search. My email address is [drumwife95@msn.com](mailto:drumwife95@msn.com), or you can mail me the information at the address below.

Thank you for your continued help.

Dear Erma:

I am enclosing a copy of McCarty's married in Washington County 1792-1878. Marion County was part of Washington County until 1834. All Marion County records dating from 1834 to 1863 were destroyed when the court house was burned during the Civil War. I do not have a file on the name McCarty and I have not been able to find very much pertaining to that family.

I made copies of all the Sapp information in that file and have enclosed that also.

I will keep your name and inquiry on file and if anything turns up in the future I will send it to you.

The charge for copies, search and postage is \$6.00.

Thank you,

Mary Parrott

Dear Madam

I was in the genealogy room last week looking for records on the McCarty family. In the family file was a folder for the McCarty's. I thought I copied all the pages but missed a letter from Erma Davis of Griffith IN with some information on Justin McCarty. Would you please copy both pages and send them to me? I am enclosing a stamped self addressed envelope and \$1.00 in cash to cover the cost of the photocopying.

thank you
